ORDER OF DISMISSAL, SETTLED
(April 5, 1999)

By Motion to Dismiss filed April 5, 1999, the parties request dismissal of said action. In support of the motion the parties attach a copy of the executed Settlement Agreement. Although the motion as forwarded by Complainant fails to include a certificate of service, telephone inquiry to counsel for Complainant confirms that a copy was forwarded to Respondent whose president signed both the Settlement Agreement and the motion. The omission of the certificate of service is, therefore, not significant although the Rules of Practice and Procedure for cases before administrative law judges were not followed. See 28 C.F.R. § 68.6(a).

Absent any reason to withhold approval of the intent of the parties, this Order grants the motion and dismisses the proceeding.

SO ORDERED.

Dated and entered this 5th day of April, 1999.

Marvin H. Morse
Administrative Law Judge
