

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

MIDDLEBY-MARSHALL OVEN CO.

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU-0852

Decision No. CU

948

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by MIDDLEBY-MARSHALL OVEN CO. in the amount of \$11,537.57 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims of nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the

Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record discloses that the claimant corporation was organized in the State of Illinois on December 5, 1894, and that all times since then until presentation of this claim on October 27, 1966, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

The evidence of record discloses that all of claimant's outstanding capital stock is owned by United States nationals.

The record contains copies of the claimant's invoices evidencing the sales of merchandise to three consignees in Cuba. These documents and other pertinent data are set out below:

<u>INVOICE NO.</u>	<u>DATE</u>	<u>CONSIGNEE</u>	<u>AMOUNT</u>
8817-C	September 12, 1957	Panificadora Pinova, S.A.	\$20,484.00
8962-C	March 5, 1959	Cia. Galleteria Gilda, S.A.	11,864.00
8819-C	February 14, 1958	Silvio Ruedas	5,649.26

The above sales were made on an installment basis with the following balances remaining outstanding on each of the above invoices:

- (1) 8817-C \$9,104.00 (represented by eight unpaid drafts of \$1,138.00 each, due from March, 1958 monthly to October, 1958).
- (2) 8962-C \$2,224.50 (represented by three unpaid drafts of \$741.50 each, due from March, 1960 monthly to May, 1960).
- (3) 8819-C \$209.07 (represented by one unpaid draft of \$209.07 due in September, 1959).

The sum of the outstanding balances is \$11,537.57--the amount of the claim. Claimant states that it has not received any of these funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019; and the Claim of Etna Pozzolana Corporation, FCSC Claim No. CU-0049).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on the following dates:

<u>ON</u>	<u>AS TO</u>
September 29, 1959	\$9,313.07 (effective date of Law 568)
March 27, 1960	\$ 741.50 (maturity date)
April 26, 1960	\$ 741.50 (maturity date)
May 26, 1960	\$ 741.50 (maturity date)

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that MIDDLEBY-MARSHALL OVEN CO. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Eleven Thousand Five Hundred Thirty-Seven Dollars and Fifty-Seven Cents (\$11,537.57) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
