

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

PERCY E. DECKARD

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -0889

Decision No. CU- 1248

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$847.15, was presented by PERCY E. DECKARD, and is based upon the loss of his interest in bonds issued by the Cuba Northern Railways Company. Claimant has been a national of the United States since his birth in the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)]⁷, the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enter-

enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of two bonds in the original face amount of \$500.00 each, issued by the Cuba Northern Railways Company and known as "First Mortgage Gold Bonds, 4%, due June 30, 1970" (originally First Mortgage Gold Bonds, 5-1/2%, due June 1, 1942), issued under an Indenture of July 1, 1927, with the First National City Bank of New York as Trustee. The bonds in question are Nos. D553 and D554.

The Cuba Northern Railways Company, incorporated under the laws of Cuba, was wholly owned by Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), a Cuban corporation. The Cuba Northern Railways Company thus would not qualify as a national of the United States under Section 502(1) of the Act which defines the term "national of the United States" as including "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record reflects that on April 4, 1933, Cuba declared a moratorium on mortgage indebtedness, which was later extended to June 1942. On June 4, 1940 a new Cuban Constitution was adopted, having certain "Transitory Provisions" which extended the maturity date on mortgage indebtedness in excess of \$800,000 to June 30, 1970 and provided for interest at 1% and amortization by certain annual installments.

In 1952, pursuant to a "Plan for Readjustment of Bonded Debt of the Company"; bondholders surrendered their 5-1/2% Gold Bonds and received, in exchange, First Mortgage Gold Bonds, 4%, due June 30, 1970. The interest on these bonds, at 4% per annum, was payable on June 1 and December 1 of each year. The last payment of interest on these bonds was made on December 1, 1958.

The record shows that Cuba Northern Railways Company was nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Claimant's bonds, therefore, represented the debt of a nationalized enterprise as defined in Section 502(3) of the Act (supra).

The Commission concludes that as a result of the nationalization of the properties of the Cuba Northern Railways Company, claimant suffered a loss in connection with his bonds, within the meaning of Title V of the Act. (See the Claim of Kentucky Home Mutual Life Insurance Company, FCSC Claim No. CU-1339.)

Evidence of record establishes that each \$500.00 bond had an outstanding principal balance of \$317.50 on October 13, 1960, the date of loss.

The Commission therefore finds that the total amount of the unpaid indebtedness on claimant's bonds on October 13, 1960, the date of loss, was \$682.56, including the principal amount of \$635.00 and the interest due in the amount of \$47.56 for the period December 1, 1958 to October 13, 1960.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that PERCY E. DECKARD suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Six Hundred Eighty-Two Dollars and Fifty-Six Cents (\$682.56) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
