

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

ADINE VINSON STOLTZ

Under the International Claims Settlement  
Act of 1949, as amended

Claim No. CU-2065

Decision No. CU 1291

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ADINE VINSON STOLTZ and is based upon the asserted ownership and loss of interests in bonds issued by the Cuba Railroad Company. Claimant has been a national of the United States since her birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government

of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant ADINE VINSON STOLTZ is, and since prior to October 13, 1960, has been the owner of three bonds, two in the original face amount of \$1,000.00, and one in the original face amount of \$500.00, issued by the Cuba Railroad Company, and known as "First Lien and Refunding Bond, Series A, 4%, due June 30, 1970" issued under an Indenture of March 10, 1922 and a Supplemental Indenture dated July 1, 1952, with the First National City Bank of New York as Successor Trustee. The bonds in question are numbered respectively TRM 1287, TRM 1288, and TRD 25.

The Cuba Railroad Company, by Indenture dated March 10, 1922, and Supplemental Indentures dated June 2, 1926 and July 1, 1952, issued Dollar bonds secured by mortgage upon the real property of the Company. By the Supplemental Indenture of July 1, 1952, the bonds were reissued as 4% bonds, due June 30, 1970. As of 1952, the outstanding principal balance on each \$1,000.00 bond was \$635.00, with interest at 4% per annum to be paid on the principal balance.

The Cuba Railroad Company, incorporated in the State of New Jersey, was wholly owned by Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), a Cuban corporation. The Cuba Railroad Company thus would not qualify as a national of the United States under Section 502(1) of the Act which defines the term "national of the United States" as including "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record discloses that the last payment of interest on the bonds was made on December 1, 1958. The properties of the Cuba Railroad Company were listed as nationalized in Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Claimant's bonds, therefore, represented debts which were a charge upon nationalized property, as defined in Section 502(3) of the Act.

The Commission concludes that as a result of the nationalization of the properties of the Cuba Railroad Company, claimant suffered a loss in connection with her bonds within the meaning of Title V of the Act. (See the Claim of Albert I. Harris, FCSC Claim No. CU-2398.)

The Commission finds that the total amount of the unpaid indebtedness on the bonds of the claimant was \$1,706.40, including the principal amount of \$635.00 on each of the two \$1,000.00 bonds, and \$317.50 on the \$500.00 bond and the interest due on each of those bonds from December 1, 1958 through October 13, 1960, in the amount of \$47.56, for the \$1,000.00 bonds and \$23.78 on the \$500.00 bond.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amounts of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

It will be noted that the total amount of loss found herein is in excess of the amount asserted by claimant. However, in determining the amount of loss sustained, the Commission is not bound by any lesser or greater amounts which may be asserted by claimant as the extent thereof.

CERTIFICATION OF LOSS

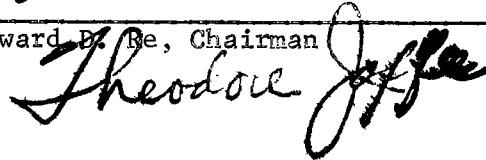

The Commission certifies that ADINE VINSON STOLTZ suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Thousand Seven Hundred Six Dollars and Forty Cents (\$1,706.40) with interest at 6% per annum from October 13, 1960 to the date of settlement.
