

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

JAMES ARTHUR BECKERLE

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -2201

Decision No. CU 3440

PROPOSED DECISION

Claimant, JAMES ARTHUR BECKERLE, who owned a common stock interest in the Havana Lithographing Company, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Central West Company (Claim No. CU-3440 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on October 13, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per common stock share of \$2.51.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Central West decision; that he was an American national at the requisite times; that he has been the owner of 100 shares of stock in the Havana Lithographing Company since prior to October 13, 1960; and that he suffered a loss in the amount of \$251.00 within the meaning of Title V of the Act.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly

by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

On the basis of evidence of record, the Commission finds that claimant acquired another 100 shares of Havana Lithographing by purchase on May 21, 1962 for a consideration of \$27.00.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on October 13, 1960. In similar cases claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals

of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571.)

The Commission finds that claimant, upon his purchase of the additional 100 shares, succeeded to the loss sustained by the assignor of the claimed securities, and concludes that he succeeded to and suffered a loss in the total amount of \$27.00 (the price he paid) as a result of the nationalization of the Company on October 13, 1960.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from the following dates on which claimant acquired this claim, to the date on which provisions are made for the settlement thereof:

<u>FROM</u>	<u>ON</u>
October 13, 1960	\$251.00
May 21, 1962	<u>27.00</u>
	\$278.00

CERTIFICATION OF LOSS

The Commission certifies that JAMES ARTHUR BECKERLE suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Two Hundred Seventy-eight Dollars (\$278.00) with interest at 6% per annum from the aforesaid dates to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities for the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
