

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

CLEMSON BROS., INC.

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 2485

Decision No. CU

837

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by CLEMSON BROS., INC. in the amount of \$7,505.23 based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated,

intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in New York, and that at all times between October 1, 1917 and the presentation of this claim on April 27, 1967, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act. Claimant states that all of its stockholders are nationals of the United States.

The record contains copies of bank correspondence from the Chemical Bank New York Trust Company and the Chemical Corn Exchange Bank to the claimant indicating that drafts sent to local Cuban banks had been paid by Cuban consignees to whom the claimant had shipped merchandise. The letters also indicate that the local Cuban banks had applied to the Exchange board for dollar reimbursement authorization. Claimant states that he has not received the funds. The above-mentioned letters reflect the following payments and the dates the claimant was notified thereof:

<u>Date</u>	<u>Amount of Draft</u>	<u>Local Cuban Bank</u>
March 24, 1960	\$ 5,946.88	Trust Company of Cuba, Havana, Cuba
May 9, 1960	647.43	Trust Company of Cuba, Havana, Cuba
May 23, 1960	524.38	Trust Company of Cuba, Havana, Cuba
July 11, 1960	386.54	Banco Nunez, Manzanillo, Cuba

The sum of the above drafts is \$7,505.23--the amount of this claim.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded transfers of funds, in this and similar cases, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See The Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019.)

Accordingly, in the instant claim the Commission finds that the claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on the following dates:

<u>ON</u>	<u>AS TO</u>
March 19, 1960	\$5,946.88
May 1, 1960	647.43
May 17, 1960	524.38
June 30, 1960	386.54

the days after the local Cuban bank informed the United States banks that the respective drafts had been paid.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the dates of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate

of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof.

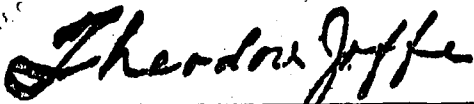

CERTIFICATION OF LOSS

The Commission certifies that CLEMSON BROS., INC. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Seven Thousand Five Hundred Five Dollars and Twenty-Three Cents (\$7,505.23) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

NOTICE: Pursuant to the Regulations of the Commission, if no objections are filed within 15 days after service or receipt of notice of this Proposed Decision, the decision will be entered as the Final Decision of the Commission upon the expiration of 30 days after such service or receipt of notice, unless the Commission otherwise orders.
