

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

LOUIS MARUFFI

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU-4997

Decision No. CU -1072

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, in the amount of \$8,500.00 was presented by LOUIS MARUFFI, and is based on his interest in bonds issued by the Consolidated Railroads of Cuba. Claimant has been a national of the United States since his birth in the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by

enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of eight bonds in the original face amount of 5,000 pesos each issued by the Consolidated Railroads of Cuba and known as a 3% Cumulative Income Debenture, due October 1, 2001, issued under an Indenture of February 1, 1953, with the United States Trust Company of New York as Trustee. The bonds in question are Nos. RV14045 to RV14052 inclusive.

Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), was a Cuban corporation. The consolidated Railroads of Cuba thus would not qualify as a national of the United States under Section 502(1)(B) of the Act which defines the term "national of the United States" as including "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

The record shows that Consolidated Railroads of Cuba was nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Claimant's bonds therefore represented a debt of a nationalized enterprise as defined in Section 502(3) of the Act (supra).

The Commission concludes that as a result of nationalization of the properties of the Consolidated Railroads of Cuba, claimant suffered a loss in connection with his bonds within the meaning of Title V of the Act. (See the Claim of Edward R. Smith, FCSC Claim No. CU-5001.)

Information available to the Commission establishes that the last payment of interest on the subject debenture was made on April 1, 1959;

however, the nationalized enterprise owed, as of that date, a total of 14.3% of the face amount of the debenture issued for prior accumulation of unpaid interest. Claimant, therefore, sustained the loss of the face amount of his bonds, the 14.3% prior accumulation of interest, and interest at 3% per annum from April 1, 1959 to October 13, 1960, the date upon which the enterprise was nationalized by the Government of Cuba.

As to the dollar value of the bond and interest, expressed in pesos, the Commission finds that the peso was valued at par with the dollar on the date of loss.

The Commission further finds that the amount of the unpaid indebtedness on claimant's bonds on October 13, 1960, the date of loss, was \$47,563.28 including the principal amount of \$40,000.00 and the interest due, to and including October 13, 1960, in the amount of \$7,563.28.

It will be noted that the total amount of loss found herein is in excess of the amount asserted by claimant. However, in determining the amount of loss sustained, the Commission is not bound by any lesser or greater amounts which may be asserted by claimant as the extent thereof.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss to the date on which provisions are made for settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that LOUIS MARUFFI suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Forty-Seven Thousand Five Hundred Sixty Three Dollars and Twenty-Eight Cents (\$47,563.28) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.
