PROPOSED DECISION

Claimants, FRANCES L. LOEB, THOMAS L. KEMPNER and JOHN L. LOEB, JR.,
Trustees for ANN L. BRONFMAN U/I of Trust dated December 31, 1940, who owned
a stock interest in the Cia. Azucarera Atlantica del Golfo, assert a claim
under Title V of the International Claims Settlement Act of 1949, as amended,
against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Helen M. Drye (Claim No. CU-0807
which we incorporate herein by reference), we held that the properties owned
by the Company were nationalized or otherwise taken by the Government of
Cuba on August 6, 1960, and that this type of claim is compensable to an
American national under the facts and conditions set forth therein. We need
not again detail here the reasons or the method used in determining the value
per share of \$34.056.

On the basis of evidence in the record in the instant case, the Commis-
sion finds that the beneficiary of this Trust comes within the terms of the
Drye decision; that she was an American national at the requisite times; that
she has been the beneficial owner of 10,035 shares of stock in the Cia.
Azucarera Atlantica del Golfo since prior to August 6, 1960, and that she
suffered a loss in the amount of \$341,751.96 within the meaning of Title V of
the Act in that connection.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

On the basis of evidence of record, the Commission finds the Trust acquired another 2,200 shares of Atlantica by purchase on February 25, 1965 for a consideration of \$660.00.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of Samuel J. Wikler, et al., Claim No. CU-2571, 1968 FCSC Ann. Rep 47.)

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

The Commission finds that the Trust, as an assignee by purchase, acquired the claim for the loss sustained by the assignor of the last 2,200 shares, but under the limitations provided in Section 507 of the Act (supra), is limited to \$660.00, the actual consideration paid for these shares.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (see Claim of Lisle Corporation, Claim No. CU-0644).

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from the dates below, to the date on which provisions are made for the settlement thereof:

<u>FROM</u>	<u>ON</u>
August 6, 1960	\$341,751.96
February 25, 1965	<u>660.00</u>
Total	\$342,411.96

CERTIFICATION OF LOSS

The Commission certifies that FRANCES L. LOEB, THOMAS L. KEMPNER and JOHN L. LOEB, JR., Trustees for ANN L. BRONFMAN U/I of Trust dated December 31, 1940, suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Three Hundred Forty-Two Thousand Four Hundred Eleven Dollars and Ninety-Six Cents (\$342,411.96) with interest at 6% per annum from the aforesaid dates to the date of settlement.
