

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

ROSA KARFOIL

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU -8135

Decision No. CU 2518

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ROSA KARFOIL and is based upon the asserted loss sustained in connection with the ownership of bonds issued by the Consolidated Railroads of Cuba. Claimant has been a national of the United States since her naturalization on June 19, 1944.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against property, including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) the amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

On the basis of evidence of record, the Commission finds that claimant has been since the date of purchase on December 31, 1962 the owner of two bonds in the original face amount of 5,000 pesos issued by the Consolidated Railroads of Cuba and known as a 3% Cumulative Income Debenture, due October 1, 2001, issued under an Indenture of February 1, 1953, with the United States Trust Company of New York as Trustee. The bonds in question are Nos. RV10789 and RV10790.

The record discloses that Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba) was nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. This corporation was organized under the laws of Cuba and does not qualify as a corporate "National of the United States" defined under Section 502(1)(B) of the Act as a corporation or other legal entity organized under the laws of the United States, or any State, the District of Columbia or the Commonwealth of Puerto Rico, whose ownership is vested to the extent of 50 per centum or more in natural persons who are citizens of the United States. Therefore, claimant is entitled to file this claim based upon the bonds in question which represent a debt of a nationalized enterprise within the purview of Section 502(3) of the Act. (See Claim of Edward R. Smith, Claim No. CU-5001).

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on October 13, 1960. Claimant has been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571).

The Commission finds that claimant, upon her purchase of the securities, succeeded to the loss sustained by the assignor of the claimed securities, and concludes that she succeeded to and suffered a loss in the total amount of \$235.00 (the price she paid) as a result of the nationalization of the Consolidated Railroads of Cuba on October 13, 1960.

The Commission has decided that in certification of loss on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from December 31, 1962, the date of purchase, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that ROSA KARFOIL suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Two Hundred Thirty-Five Dollars (\$235.00) with interest thereon at 6% per annum from December 31, 1962 to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities or the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
