

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

FRANK CHESTER GAWLAK

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 8223

Decision No. CU 4066

PROPOSED DECISION

Claimant, FRANK CHESTER GAWLAK, who owned a stock interest in the Trans-Cuba Oil Company, asserts a claim in the amount of \$125.00 under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of D. R. Wimberly (Claim No. CU-3417 which we incorporate herein by reference), we held that the properties owned or controlled by the Company were nationalized or otherwise taken by the Government of Cuba on November 23, 1959, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$0.1198.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Wimberly decision; that he was an American national at the requisite times; that he is the owner of 1000 shares of stock in the Trans-Cuba Oil Company.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

On the basis of evidence of record, the Commission finds that claimant acquired 500 shares of Trans-Cuba by purchase on July 27, 1960 for \$62.50 and another 500 shares on August 11, 1960 for \$62.50.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on November 23, 1959. In similar cases claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the

CU-8223

claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571).

The Commission finds that claimant, as an assignee by purchase, acquired the claims for the loss sustained by the assignor of the claimed securities, and concludes that he succeeded to and suffered a loss in the total amount of \$119.80, the value of the shares.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644), and in the instant case, it is so ordered.

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from the dates on which claimant acquired this claim, to the date on which provisions are made for the settlement thereof as follows:

<u>FROM</u>	<u>ON</u>
July 27, 1960	\$59.90
August 11, 1960	\$59.90

CERTIFICATION OF LOSS

The Commission certifies that FRANK CHESTER GAWLAK suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of One Hundred Nineteen Dollars and Eighty Cents (\$119.80) with interest at 6% per annum from the aforesaid dates to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities or the loss here certified.

Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
