

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

SHEILA D. COLE

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU - 8436

Decision No. CU- 3802

PROPOSED DECISION

Claimant, SHEILA D. COLE, who owned a 3% Cumulative Income Debenture issued by the Consolidated Railroads of Cuba, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Railroad.

In our decision entitled the Claim of Edward R. Smith (Claim No. CU-5001 which we incorporate herein by reference), we held that the properties of the Railroad were nationalized or otherwise taken by the Government of Cuba on October 13, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per \$5,000.00 bond of \$5,945.41 including interest to October 13, 1960.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Smith decision and that she was an American national at the requisite times.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

Claim is presented for an interest in 3% Income Debentures issued by Consolidated Railroads of Cuba.

On the basis of evidence of record, the Commission finds that claimant acquired the above debentures by purchase as follows:

<u>ON</u>	<u>CONSIDERATION</u>
November 23, 1960	\$156.25
December 6, 1960	31.25
February 23, 1961	165.63
April 16, 1961	<u>147.50</u>
	\$500.63

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on October 13, 1960. In similar cases claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission

CU-8436

has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571).

The Commission finds that claimant, as an assignee by purchase, acquired the claims for the losses sustained by the assignors of the claimed securities, but under the limitations provided in Section 507 of the Act (supra), is limited to \$500.63 the actual consideration paid for these shares.

The Commission has decided that in certification of loss on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (see Claim of Lisle Corporation, FCSC Claim No. CU-0644).

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from the dates on which claimant acquired this claim, to the date on which provisions are made for the settlement thereof, as follows:

<u>FROM</u>	<u>ON</u>
November 23, 1960	\$156.25
December 6, 1960	31.25
February 23, 1961	165.63
April 6, 1961	<u>147.50</u>
	\$500.63

CERTIFICATION OF LOSS

The Commission certifies that SHEILA D. COLE suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Five Hundred Dollars and Sixty-Three Cents (\$ 500.63) with interest at 6% per annum from the aforesaid dates to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities for the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.

NOTICE: Pursuant to the Regulations of the Commission, if no objections are filed within 15 days after service or receipt of notice of this Proposed Decision, the decision will be entered as the Final Decision of the Commission upon the expiration of 30 days after such service or receipt of notice, unless the Commission otherwise orders.
