PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ELIZABETH SAXBY, EXECUTRIX OF THE ESTATE OF MARVIN R. SAXBY, DECEASED, and is based upon the asserted loss of a stock interest in Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (1969).)

The file reflects that claim is based on 60 shares of stock of Atlantica del Golfo, 2 shares of Central Violeta, and a Meeres Inc. scrip certificate, and further that the Executrix was appointed June 30, 1955. Accordingly, the Commission suggested by letter of August 5, 1970, that the heirs and their nationality be established for the period August 6, 1960 (the date of loss) through March 15, 1967 (when claim was opened on behalf of Atlantica stockholders).

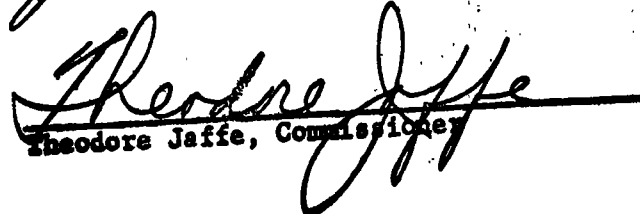

On September 18, 1970, claimant was invited to submit the suggested evidence within 45 days from that date, and was informed, that, absent such evidence, it might become necessary to determine the claim on the basis of the existing record. No evidence has since been submitted.

The Commission finds that claimant has not met the burden of proof in that she has failed to establish ownership of rights and interests in property which was nationalized, expropriated or otherwise taken by the Government of Cuba from nationals of the United States as required by the Act (and see Claim of Administrator cta of Estate of Francisco Hidalgo Gato, Dec., Claim CU-0587). Thus, the Commission is constrained to deny this claim and it is hereby denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.

Decision of the Commission
