PUBLIC NOTICE

AVAILABILITY OF FCSC DECISIONS

WASHINGTON, DC - The Foreign Claims Settlement Commission has created an electronic compilation of most of the Proposed and Final Decisions issued in its claims programs since the early 1950's. The computer application associated with the electronic data will allow researchers to conduct full text searches of the decisions. The claims programs included in this compilation are Bulgaria II, China I, China II, Cuba, Czechoslovakia II, Egypt, Ethiopia, General War Claims, German Democratic Republic, Hungary II, Iran, Italy II, Panama, Poland, Rumania II, Soviet Union, Vietnam, and Yugoslavia II.

This resource is now available for access by the public. A printer is also available for producing copies of decisions, if desired. In accordance with the Commission's regulations, 45 C.F.C. §502.14, a charge of 15 cents per page will be assessed, payable by check to the U.S. Treasury at the time of use.

In order to provide for fair and equal access to the system, the Commission has adopted a policy requiring interested users to schedule an appointment in advance. This may be done either by telephone at 202-616-6975 or by e-mail to info.fcsc@usdoj.gov. Users should note that availability of the system may be limited from time to time when the room in which the computer terminal is located is in use by the Commission and its staff.
