Re: United States v. Enrique Faustino Aguilar Noriega, et al.  
CR 10-1031(A)-AHM

Dear Counsel:

The government writes regarding one aspect of Special Agent Carlos Narro's testimony this morning concerning the November 20, 2008 interview of defendant Keith E. Lindsey. During Agent Narro's testimony, he stated, in substance, that at one point during the interview he went outside to speak to Lela Lindsey, who had been disturbing the interview. Prior to taking the stand, Agent Narro apparently informed the government of this aspect of his testimony, but the government does not recall him mentioning it. The government brings this to your attention now, before the conclusion of the hearing on Lindsey's motion to suppress his statements.

Very truly yours,

ANDRÉ BIROTTE JR.  
United States Attorney
