STATEMENT ON THE OUTCOME OF TRIAL  
IN U.S. v. JOHN GOTTI, JR.

"While we are disappointed with today's result, we thank the jurors for their diligent service. The inability of the jury to reach a verdict does not diminish the work of the many agents, prosecutors, and staff who showed unyielding dedication and resolve in the investigation and prosecution of this case. We are evaluating how to proceed and, in the near future, will inform the Court and the defense of our decision," said PREET BHARARA, the United States Attorney for the Southern District of New York.
