STATEMENT ON U.S. v. JOHN A. GOTTI

"In light of the circumstances, the Government has decided not to proceed with the prosecution against John A. Gotti. Accordingly, today we submitted a proposed Order of nolle prosequi to the Court. The Order has been approved by the presiding United States District Judge, and thus the prosecution of the case has ended. I would like to commend and thank the many dedicated law enforcement agents, prosecutors, and staff who worked vigorously on this case," said PREET BHARARA, the United States Attorney for the Southern District of New York.
