# United States Attorneys' Manual

1984 U.S.A.M. (superseded)

## **DISCLAIM**

The print original copy only has Titles 1-3 and 5-10. It may be missing Title 4, because the Index refers the contents of Title 4, such as 4-6.500, 4-13.110, etc.

The Table of Contents of Title 9 does not match with the contents. For example, the Table of Contents indicates that the section 9-111 is [Reserved], however there is section 9-111 updated as of 1986.

There might be some filing errors.
