Comment regarding;
CASE NO. 13-CV-4030-LLP
FILED: 04/08/2013

UNITED STATES OF AMERICA,
Plaintiff,
v.
CHIROPRACTIC ASSOCIATES, LTD.
OF SOUTH DAKOTA,
Defendant.

To the court,

I am a South Dakota resident unaffiliated with CHIROPRACTIC ASSOCIATES, LTD. OF SOUTH DAKOTA (CASD), its owners or members. I am a consumer of chiropractic care and have been for several years. I shall offer these comments anonymously as Mr. Munsterman has considerable influence in his role as a state legislator and it is known to me that he would/could retaliate for unfavorable comments.

There are three points I wish to make,

First and foremost CASD for over 15 years CASD has conspired, defrauded, and committed felonious acts against the people of South Dakota and other states as well to increase the price of services rendered by their members. The primary beneficiary of the profits from this conspiracy was Scott Munsterman as primary owner of CASD.

Although the injunction against CASD prohibits further violations as outlined in the case documents, it does nothing to punish the principals for their conduct and fraud. It affixes no fine or penalty other than I assume court costs. Munsterman and his associates have profited for several years from their illegal activities and it appears to all that now the justice system is saying, "just don't do it anymore", keep your ill-gotten profits and we will let you get off with this "slap on the hand". No fine, no penalties, just stop doing what you are doing.

And of course, CASD would accept that, who wouldn't. If someone robbed a bank, got away with thousands of dollars of other people's hard earned money, later is caught and is told, "Just don't do it anymore".

Your honor, this is a travesty of justice in the most egregious manner.

Second, Scott Munsterman serves as a member of the South Dakota House of Representatives, representing District 7. He is the chairperson for the Health and Human Services Committee. It is egregious to think that this man in his position on the Health and Human Services Committee will be making critical decisions and influencing votes for the Healthcare issues facing the South Dakota Legislature and ultimately becoming laws for the people of South Dakota. Sadly few South Dakotans will take notice of the actions against CASD and no one will be held accountable and no penalties assessed.

With all the recent revelations of corruption, scandals and cover-ups in our government, now more than ever due the citizens need to see that our justice system deals out justice fairly and impartially and that those who have manipulated, circumvent and abused the law are punished, not just stopped.

Your honor, please do the right thing in this case and issue substantial monetary penalties for the illegal action by CASD, its owners and associates.

I maintain my anonymity because of potential retaliation from the owner(s) of CASD.
