Subject: My thoughts and views

Hello, I am an American songwriter, currently going under the name of AceLee, I recently read some very disturbing things about the compensation to artist compared to the amount of spins that are received. My view on this issue is, although, I'm no super famous celebrity, I think it's unjust that so little is paid to an artist when music is so enjoyable, and artist put so much time and effort into their craft. Never been real big on being verbose so I'll end this by saying I hope this doesn't fall on deaf ears.
