

Mr William H Stallings,
Chief, Transportation, Energy, and Agriculture Section
Antitrust Division
US Department of Justice
450 5th St NW
Suite 8000
Washington, DC 20530

Dear Mr Stallings,

I am writing to you concerning the Anti Trust civil charges against GEC and SGI in the North Fork Valley of Delta County, Colorado.

I am asking that you set aside the proposed settlement, vigorously investigate the other BLM auctions these companies have participated in, increase the fine amount, and at a minimum revoke the four leases that the Department of Justice alleges were obtained in an illegal manner.

Unless the consequences of such actions are significant, there is no reason for these companies to not continue to engage in such illegal practices.

Sincerely,

Karen Good
