I. INTRODUCTION

- A. On June 24, 2008, the Court entered the original Stipulated Judgment. (Doc. 8.) Since that time, the parties have amended their agreement twice. (Docs. 27 and 81.) This Amended Stipulation reflects those respective sets of changes and replaces the original agreement in its entirety. This Stipulated Judgment is entered into by the parties to resolve all the claims in this action against all Defendants as to the Scioto Juvenile Correctional Facility (“Scioto”). The United States’ claims concerning the remaining six facilities are resolved pursuant to the Court’s Order conditionally dismissing the Complaint. (Doc. 7).
- B. On March 16, 2005, the United States Department of Justice (“DOJ”) notified the State of Ohio (the “State”) of its intent to investigate conditions of confinement at the Scioto Juvenile Correctional Facility in Delaware, Ohio, pursuant to the Civil Rights of Institutionalized Persons Act, 42 U.S.C. § 1997, and the Violent Crime Control and Law Enforcement Act of 1994, 42 U.S.C. § 14141. Thereafter, on April 15, 2005, DOJ notified the State of its intent to conduct a similar investigation at the Marion Juvenile Correctional Facility (“Marion”) in Marion, Ohio.
- C. In response, the State of Ohio, through the Department of Youth Services (“DYS”), indicated that it intended to cooperate with the DOJ investigation, that it had determined that significant changes needed to be and would be made, and that it was embarking on a master plan to change the culture and conditions at Scioto and Marion.
- D. In this regard, before DOJ opened its formal investigations of Scioto and Marion (collectively, the “Facilities”), the State hired Fred Cohen, a juvenile justice expert, to assess conditions at the Scioto facility. In August 2004, Mr. Cohen and his team of experts issued findings (the “Cohen Report”), a copy of which was provided to DOJ. Among other things, the Cohen Report addressed issues regarding protection from harm, medical care, mental health care, and special education at Scioto.
- E. From June 27 to July 1, 2005, DOJ toured Scioto and Marion with consultants in the fields of medical care and mental health care. A tour of Marion’s special education program took place from July 19 to July 20, 2005.
- F. Throughout the course of the investigation, the State has cooperated with DOJ, providing access to staff, youth, and documents at both Facilities.
- G. On May 9, 2007, DOJ issued findings letters, pursuant to 42 U.S.C. § 1997(a)(1), that concluded that certain conditions at Scioto and Marion violated the constitutional and federal statutory rights of youth confined in the Facilities. On June 1, 2009, Marion was closed.

- H. The State has indicated that it is firmly committed to providing legally adequate conditions by instituting the remedial measures required by this Stipulation and that, in many ways, this Stipulation formalizes what had been agreed to in principal in the past and what the DYS reportedly already has under way.
- I. The State represents that it is participating in a collaborative manner with plaintiffs' counsel in S.H., et al. v. Stickrath, Case No. 2:04CV1206, which is a matter before the United States District Court for the Southern District of Ohio, and that, in the S.H. case, the State has elected to implement additional remedial measures beyond those required to resolve issues raised by the DOJ findings.
- J. No person or entity is intended to be a third-party beneficiary of the provisions of this Stipulation for purposes of any civil, criminal, or administrative action, and accordingly, no person or entity may assert any claim or right as a beneficiary or protected class under this Stipulation. Notwithstanding the foregoing, DOJ and the State agree that the terms of this Stipulation may be incorporated into the Stipulation for Injunctive Relief resolving the S.H. case.
- K. The court finds that this Stipulation satisfies the requirements of 18 U.S.C. § 3626 (a)(1)(A) and shall retain jurisdiction to enforce its terms. The court shall have the power to enforce the Stipulation through specific performance and all other remedies permitted by law.
- L. On May 9, 2011, the United States, then Monitor in this matter, submitted to the Court its Third Compliance Report assessing the State's compliance with the provisions of the U.S.A. v. Ohio Stipulation. [Doc. 79].
- M. On May 20, 2011, the Parties submitted a joint motion to the Court to:
(1) terminate 20 provisions under section III, "Substantive Remedial Provisions";
(2) appoint a new monitor and consultants; and (3) modify the monitoring process. [Doc. 80]. The agreed changes are incorporated within this Amended Stipulation for Injunctive Relief.
- N. Within the subject area of "Protection From Harm," the Parties agreed to terminate the following four provisions: A.2, A.4, A.6, and A.7. Within the subject area of "General Medical Care," the Parties agreed to terminate the following seven provisions: C.3, C.4, C.6, C.7, C.8, C.9, and C.10. Within the subject area of "Grievances," the Parties agreed to terminate one provision: D.3. Within the subject area of "Special Education," the Parties agreed to terminate the following eight provisions: E.2, E.3, E.4, E.5, E.6, E.9, E.10 and E. 11.
- O. On June 6, 2011, the court granted the Parties' joint motion to terminate 20 provisions under section III, "Substantive Remedial Provisions", appoint a new monitor and consultants and modify the monitoring process. [Doc. 81].

At least annually, the Compliance Coordinator shall independently audit each facility to verify the accuracy of the Facility's data collection and reporting.

V. MONITORING

A. Monitor and Consultant Selection, Reporting, and Removal

1. This Stipulation, as originally written, and the agreement in the S.H. v. Stickrath class action ("S.H. litigation") (See Docs. 92-4 and 108 therein) fashioned a unitary monitoring system. Specifically, Fred Cohen started serving as the only Monitor for both this case and in the S.H. litigation. However, on September 24, 2009, Fred Cohen submitted his resignation as the Monitor in U.S.A. v. Ohio. In response, the DOJ, the State, and the Plaintiffs in the S.H. litigation intended to establish a separate monitoring system in U.S.A. v. Ohio, which neither interferes nor conflicts with the monitoring system in the S.H. litigation.

2. Effective July 1, 2011, Dr. Kelly Dedel shall serve as the Monitor in U.S.A. v. Ohio, replacing the DOJ in that role.

2.1 The Monitor and any consultants assisting in monitoring remediation efforts shall coordinate their monitoring activities in this matter with the State to minimize conflicting schedules or other undue burdens on the State. As such, absent exigent circumstances, the Monitor, consultants, or sub-experts, in this case may not visit Scioto within a week of a previously scheduled visit by the Monitor of the S.H. litigation, unless the State consents to such scheduling.

2.2 Dr. Dedel will conduct substantive monitoring activities pertaining to Sections III.A and III.D-G of this Stipulation (Protection from Harm, Grievance Process, Special Education, Programming, and Documentation, respectively). Dr. Dedel will coordinate preparation of, and issue, all Monitor reports required by this Stipulation.

2.3 Dr. Daphne Glindmeyer, M.D., a mental health consultant, will assist the Monitor as a consultant to oversee monitoring activities pertaining to Section III.B (Mental Health) of this Stipulation. Dr. Glindmeyer will provide substantive information to the Monitor to help the Monitor to prepare and issue the reports required under this Stipulation as to the mental health terms set forth in the Stipulation.

2.4 Dr. Michelle Staples-Horne, M.D., a medical care consultant, will assist the Monitor as a consultant to oversee monitoring activities pertaining to Section III.C (General Medical Care) of this Stipulation. Dr. Staples-Horne will provide substantive information to the Monitor to help the Monitor to prepare and issue the reports required under this Stipulation as to the medical care terms set forth in the Stipulation.

3. All Monitor and Consultant Reports shall be provided to DOJ and DYS at least two weeks prior to their issuance. These reports shall be written with due regard for the privacy interests of individual youth and staff and the interest of the State in protecting against disclosure of non-public information.

4. Upon one of two grounds, the Monitor or any consultant assisting the Monitor may be removed from their respective positions on the monitoring team.

4.1 The Monitor or any consultant may be terminated from their duties as Monitor or consultant for good cause, either by prior notice to such Monitor or consultant and the stipulation of DOJ and DYS, or by order of the Court pursuant to a motion filed by DOJ or DYS.

4.2 If either DYS or the class Plaintiffs in the S.H. litigation determine in good faith that the monitoring process in this case has resulted in conflicting standards for DYS to attain lawful conditions of confinement, then either such party may seek a court order in this case to remove the Monitor or any consultant to the Monitor. The

reasonably supported results of any monitoring report may not constitute good faith grounds to seek the removal of a Monitor or a consultant to the Monitor.

5. If the position of Monitor becomes vacant, the following steps will apply:

5.1 DOJ and DYS shall confer regarding the selection of a new Monitor.

5.2 If DOJ and DYS are all unable to agree within thirty (30) days of the vacancy occurring, or within a time agreed to by each of those parties, then DOJ and DYS shall submit two names, along with resumes and cost proposals, to the Court. The Court shall then select the replacement monitor.

5.3 A vacancy occurs upon the removal by notice of the Monitor or a consultant as set forth in 4.1 or 4.2 above, by Court order, or upon the Court's acceptance of a written letter of resignation from the Monitor or consultant.

6. DOJ and DYS agree that no other Monitors or consultants, except those named in Part 2 above, will be used to conduct monitoring activities in this case. This does not bar either the Monitor or any approved consultant from retaining a sub-expert for additional input. However, the State has no obligation to permit such sub-experts to tour any facilities subject to this Stipulation. Further, the State has no obligation to respond to any request for documents, files, or data of any kind from such sub-expert. And, the State has no obligation to fund such sub-experts without its prior approval and agreement.

B. Cost of Monitor and Monitoring Team: The State shall pay the costs of the fees and expenses for both the monitor and the other members of the monitoring team.

C. Monitor Autonomy: Neither party to this Stipulation, nor any employee or agent of either party, shall have any supervisory authority over the monitor's activities reports, findings, or recommendations.

D. Monitor Qualifications: The Monitor shall have experience and education or training in the field of juvenile justice. The Monitor may also have education, training, or experience in general or special education, adolescent health and mental health needs (particularly the needs of institutionalized adolescents), and institutional abuse and incident investigations.

E. Monitor Access: The Monitor shall have full and complete access to the Facilities, all facility records, staff, and residents. The State shall direct all employees to cooperate fully with the Monitor. All non-public information obtained by the Monitor shall be maintained in a confidential manner.

F. Monitor Ex Parte Communications: The Monitor shall be permitted to initiate and receive ex parte communications with all parties in this and the S.H. case.

- G. Limitations on Public Disclosures by Monitor: Except as required or authorized by the terms of this Stipulation or the parties acting together, the Monitor shall not: make any public statements (at a conference or otherwise) or issue public findings with regard to any act or omission of the State or its agents, representatives or employees, or disclose non-public information provided to the Monitor pursuant to this Stipulation. Any press statement made by the Monitor regarding his/her employment must first be approved, in writing, by the parties. The Monitor shall not testify in any other litigation or proceeding with regard to any act or omission of the State or any of its agents, representatives, or employees related to this Stipulation, nor testify regarding any matter or subject that he or she may have learned as a result of his or her performance under this Stipulation. Reports issued by the Monitor shall not be admissible against the State in any proceeding other than a proceeding related to the enforcement of this Stipulation. Unless such conflict is waived by the parties, the Monitor shall not accept employment or provide consulting services that would present a conflict of interest with the Monitor's responsibilities under this Stipulation, including being retained (on a paid or unpaid basis) by any current or future litigant or claimant, or such litigant's or claimant's attorney, in connection with a claim or suit against the State or its departments, officers, agents or employees. The records maintained by the Monitor shall be kept confidential to the extent permitted by Ohio's Public Records Law and the federal Freedom of Information Act. Neither the Monitor nor any person or entity hired or otherwise retained by the Monitor to assist in furthering any provision of this Stipulation shall be liable for any claim, lawsuit or demand arising out of the Monitor's performance pursuant to this Stipulation. This paragraph does not apply to any proceeding before a court related to performance of contracts or subcontracts for monitoring this Stipulation.
- H. Monitor Reports: The Monitor shall provide DOJ and DYS with reports describing the steps taken by the State to implement this Stipulation and evaluate the extent to which the State has complied with each substantive provision of the Stipulation. The Monitor shall prepare the report based upon a site visit of Scioto conducted no more than six weeks before the report's issuance. For each requirement of Section III of this Stipulation, the report shall specify: (1) the steps (including documents reviewed, meetings attended, and persons interviewed) the Monitor took to assess compliance; (2) the self-assessment steps the facility undertook to assess compliance and the results thereof; (3) the level of compliance. i.e., "noncompliance" or "substantial compliance"; and (4) the Monitor's recommendations, if any, to facilitate or sustain compliance. The Monitor shall issue a report for Scioto every six months, with interim reports as the Monitor determines appropriate. The Monitor is primarily to assess and report upon compliance; if there is an ambiguity in the meaning or intent of a provision, the Monitor shall seek guidance from the parties. The reports shall be provided to DOJ and DYS in draft form for comment at least two weeks prior to their issuance. These reports shall be written with due regard for the privacy interests of individual youth and staff and the interest of the State in protecting against disclosure of non-public information.

- I. Monitor Budget: The Monitor shall have a budget sufficient to allow the Monitor and the consultants named in Part A.2 above to carry out the responsibilities described in this Stipulation, and shall provide DOJ and DYS with a copy of each invoice, when issued by the Monitor, and notice of payment, when received by the Monitor. The Monitor will consult with the Defendants to set the monitoring budget for each fiscal year while injunctive relief is in place. Defendants shall pay the fees associated with the monitoring under this Stipulation.

VI. REPORTING REQUIREMENTS AND RIGHT OF ACCESS

- A. DOJ Access: DOJ shall have full and complete access to the youth at the Facilities upon reasonable notice to DYS. DOJ shall have full and complete access to the Facilities, youth records, staff records, and staff of the Facilities regarding the topics addressed in this Stipulation upon reasonable notice to DYS. DOJ shall have the right to conduct interviews with staff, and confidential interviews with residents and former residents. State attorneys may be present at interviews of staff and tours of Facilities. All non-public information obtained by DOJ shall be maintained in a confidential manner.
- B. Response to DOJ Questions: Within 30 days of receipt of written questions from DOJ concerning the State's compliance with this Stipulation, the Monitor shall provide DOJ with written answers and access to any requested documents regarding the State's compliance with the requirements of this Stipulation.
- C. State Documentation of Compliance: The State shall maintain sufficient records to document its compliance with all of the requirements of this Stipulation. The State shall also maintain (so long as this Stipulation remains in effect) any and all records required by or developed under this Stipulation.
- D. Privileges: This Stipulation shall not be deemed to waive the attorney/client, attorney work product, deliberative process, or executive privileges. The State shall not assert physician/patient or psychotherapist/patient privileges with respect to the monitoring of this Stipulation.

VII. IMPLEMENTATION, ENFORCEMENT, AND TERMINATION

- A. Information to Employees: The State shall ensure that all current and future relevant State employees understand the terms of policies and procedures addressed by this Stipulation (to the extent necessary to carry out their job duties and responsibilities).

- B. Implementation: The State shall implement all reforms necessary to effectuate this Stipulation. The implementation shall begin on the effective date of the Stipulation in the S.H. case. Minor, inconsequential, sporadic, unintentional or isolated harmless instances of noncompliance with this Stipulation shall not be a basis for enforcement, provided they do not affect a substantial interest of the youth.
- C. Integration: This Stipulation shall constitute the entire integrated Stipulation of the parties. With the exception of DOJ's findings letters referenced in Section I. G., no prior or contemporaneous communications, oral or written, will be relevant or admissible for purposes of determining the meaning of any provisions herein in any proceeding.
- D. Enforcement: If DOJ believes that the State has failed to substantially comply with any obligation under this Stipulation, the parties will use the dispute resolution mechanisms in the Stipulation in the S.H. case (paragraph 256).
- E. Termination: This Stipulation shall terminate when the State has substantially complied with each of the provisions of the Stipulation and has maintained substantial compliance for two consecutive reporting periods following the initial finding of substantial compliance. The burden shall be on the State to demonstrate this level of compliance. Any of subsections A through G of Section III of the Stipulation may be terminated if the State sustains its burden with respect to that subsection of the Stipulation. Noncompliance with mere technicalities, or temporary failure to comply during a period of otherwise sustained compliance will not constitute failure to maintain substantial compliance. At the same time, temporary compliance during a period of sustained noncompliance shall not constitute substantial compliance. The Defendants shall retain all rights, protections, and remedies under the Prison Litigation Reform Act of 1995, 18 U.S.C. § 3626 et seq.
- F. Defense of Stipulation: The parties agree to defend the provisions of this Stipulation. The parties shall notify each other of any court challenge to this Stipulation. In the event any provision of this Stipulation is challenged in any local or state court, removal to a federal court shall be sought. The terms of this Stipulation shall apply only to this Stipulation, and may not be used to affect or interpret any other agreement including S.H. v Stickrath regarding the State of Ohio.
- G. Successors: This Stipulation shall be binding on all successors, assignees, employees, agents and all those working for or on behalf of the State.

- H. No Waiver for Failure to Enforce: Failure by either party to enforce this entire Stipulation or any provision thereof with respect to any deadline or any other provision herein shall not be construed as a waiver of its right to enforce other deadlines or provisions of this Stipulation.
- I. Notice: “Notice” under this Stipulation shall be provided electronically or by courier or overnight delivery and shall be provided to the State to the Director of the Department of Youth Services of the State of Ohio, to the Ohio Attorney General, and to the United States to the Chief of the Special Litigation Section, Civil Rights Division, United States Department of Justice.
- J. Unforeseen Delay: If any unforeseen circumstance occurs which causes a failure to timely carry out any requirements of this Stipulation, the State shall notify DOJ in writing within 20 calendar days of the time that the State becomes aware of the unforeseen circumstance and its impact on the State’s ability to perform under the Stipulation. The notice shall describe the cause of the failure to perform and the measures taken to prevent or minimize the failure. The State shall implement all reasonable measures to avoid or minimize any such failure.
- K. Non-Retaliation: The State agrees that it shall not retaliate against any person because that person has filed or may file a complaint, provided information or assistance, or participated in any other manner in an investigation or proceeding relating to this Stipulation. The State is not precluded from taking appropriate action where an individual knowingly asserts a false complaint or knowingly makes false statements.
- L. Subheadings: All subheadings in this Stipulation are written for convenience of locating individual provisions. If questions arise as to the meanings of individual provisions, the parties shall follow the text of each provision.
- M. Severability: In the event any provision of this Stipulation is declared invalid for any reason by a court of competent jurisdiction, said finding shall not affect the remaining provisions of this Stipulation.
- N. Attorneys’ Fees and Expenses: Each party shall bear the cost of their fees and expenses incurred in connection with this matter.
