

United Against Hate Presentation

School Request Form

Thank you for your interest in the U.S. Attorney's Office's *United Against Hate* program. This program consists of an interactive presentation by federal prosecutors with the U.S. Attorney's Office in the Southern District of Illinois. Students will learn how to distinguish a hate crime from civil discrimination or other bias incidents; what hate crimes laws exist and why; and how to report potential hate crimes or discrimination to law enforcement.

Please answer the questions below to the best of your ability. Additional details will be discussed when coordinating and planning the event.

What is your name?

What is your contact information?

What is the name of the school for which you are submitting this request?

What is your title/role?

Ideally, when would you like to host a *United Against Hate* Presentation at your school? Please include as much detail as possible.

Tell us a little about the prospective audience. (How many students do you anticipate? What grade level(s)? What are their areas of interest or familiarity with civil rights enforcement?)

Would your school be able to provide the following: (1) an IT hookup so we could project a PowerPoint presentation; (2) a large classroom, small auditorium, or other space for the presentation; and (3) a 90-minute (ideal) or 60-minute (minimum) timeslot for the presentation?
