Subject: Today's Meeting Follow-up

Hi Tim

Thanks for meeting today. Attached is the slides we took you through.

Jon will follow-up with Brain Croll in more detail all the assumptions.

As I said during our meeting I am very optimistic that we can get a product and deal structure that makes our two companies more competitive/benefiting users and is long term stable.

I will look forward to hearing from you in a couple of weeks. Happy to come down and meet again. I am going to be in the Bay Area again on Spt 1st. I will have my assistant reach out to your office to see if that date works.

Thanks much

Satya
