Subject: Notice of RSA Section 2.4 violation - Notice #3

Dear Andrew and Steve,

On February 10, 2018, we discovered that Samsung used a Client ID, of which Google pays Samsung Shared Net Ad Revenue, on a Samsung device not qualified for revenue share in violation of Section 2.4 of the Google Mobile Revenue Share Agreement ("RSA") dated July 1, 2017. The details of the Device Model are below:

Device Model:

Model Name: J2 (2018)
Model Number: SM-J250F
Serial Number: R58K10VS5KW
Launch date: January, 2018 // New Qualified Device

This Device Model does not meet the Search Access Point criteria for New Qualified Devices, as outlined in line 2 of Exhibit B of the RSA:
