FYI, I spoke with Margaret and let her know that this would have likely been included in OLA's weekly report (which was not submitted this week), or perhaps OLPs', but I wanted to ensure this had come to your attention as well.

We (in CRT) are reviewing the draft for tone, voice, and length, as well as content. As part of this initial round of review it would be most helpful if anyone with substantive comments send them to me and Karen Stevens (copied above) by **COB Wednesday**. As noted in the timeline, we will all have another chance to review the document during the inter-agency process, and again during the final AG approval process.

Please let me know if you have any concerns.

Thanks!

Julie
