THE UNITED STATES OF AMERICA, ACTING THROUGH ITS ATTORNEYS,

DEFENDANT AND CO-CONSPIRATORS

1. DAVID A. COPPOLA is hereby made defendant on the charge contained in this Count.
2. During the period covered by this Count, Defendant was Vice-President and part-owner of AL’S ASPHALT PAVING COMPANY, INC. (“AL’S ASPHALT”), a corporation organized and existing under the laws of Michigan with its principal place of business in Taylor, Michigan. During the period covered by this Count, AL’S ASPHALT was engaged in the provision of asphalt paving services in the State of Michigan.
3. Another corporation and other individuals not made defendants in this Count, participated as co-conspirators in the offense charged herein and performed acts and made statements in furtherance of the conspiracy.

4. Whenever in this Count reference is made to any act, deed, or transaction of any corporation, the allegation means that the corporation engaged in the act, deed, or transaction by or through its officers, directors, agents, employees, or other representatives while they were actively engaged in the management, direction, control, or transaction of its business or affairs.

BACKGROUND OF THE OFFENSE

5. During the period covered by this Count, ASPHALT SPECIALISTS, LLC (“ASI”) was a corporation with its principal place of business in Pontiac, Michigan, and engaged in the provision of asphalt paving services within the State of Michigan.

6. During the period covered by this Count, AL’S ASPHALT and ASI provided a range of asphalt paving services to customers in the State of Michigan, including to customers in the Eastern District of Michigan. These asphalt paving services included asphalt paving projects such as large driveways, parking lots, and private roadways.

7. During the period covered by this Count, potential customers solicited bids from providers of asphalt paving services. Potential customers typically required bids from at least two or more providers of asphalt paving services and awarded contracts for asphalt paving services after first reviewing and evaluating the bids submitted by asphalt paving services providers.

DESCRIPTION OF THE OFFENSE

8. Beginning at least as early as March 2013 and continuing until at least as late as November 2018, the exact dates being unknown to the United States, in the Eastern District of Michigan, Defendant and AL’S ASPHALT entered into and engaged in a combination and conspiracy with ASI and other co-conspirators to suppress and eliminate competition by agreeing to rig bids for contracts to provide asphalt paving services in the State of Michigan. The

combination and conspiracy engaged in by Defendant and his co-conspirators was a *per se* unlawful, and thus unreasonable, restraint of interstate trade and commerce in violation of Section 1 of the Sherman Act (15 U.S.C. § 1).

9. The charged combination and conspiracy consisted of a continuing agreement, understanding, and concert of action among Defendant and his co-conspirators, the substantial terms of which were to rig bids for contracts to provide asphalt paving services in the State of Michigan.

MEANS AND METHODS OF THE CONSPIRACY

10. For the purpose of forming and carrying out the charged combination and conspiracy, Defendant and his co-conspirators did those things that they combined and conspired to do, including, among other things:

- c. soliciting intentionally non-competitive bids from each other so that an agreed-upon co-conspirator would win a particular contract to provide asphalt paving services;
- d. exchanging pricing-related information to enable co-conspirators to submit non-competitive bids for asphalt paving services contracts to potential customers so that an agreed-upon co-conspirator would win the contract;
- e. submitting, and causing to be submitted, non-competitive bids for asphalt paving services contracts containing higher prices than those prices submitted by the

agreed-upon winning co-conspirator, in accordance with the agreement; and

f. providing asphalt paving services and accepting payment in accordance with contracts that were obtained through a collusive and non-competitive process.

TRADE AND COMMERCE

11. During the period covered by this Count, Defendant and his co-conspirators provided asphalt paving services in a continuous and uninterrupted flow of interstate trade and commerce.
