## I. BACKGROUND

A. The United States of America ("United States"), on behalf of the Administrator of the U.S. Environmental Protection Agency ("EPA"), filed a complaint and amended complaints in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607, as amended ("CERCLA"), seeking, *inter alia*, reimbursement of response costs incurred or to be incurred in connection with the release or threatened release of hazardous substances at the United Scrap Lead Superfund Site in Concord Township, Miami County, Ohio ("the Site"), together with accrued interest.

B. In response to the release or threatened release of hazardous substances at or from the Site, EPA undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604. In performing response actions at the Site, EPA has incurred response costs.

C. The Court has held that Defendants Ace Iron & Metal Company and Alan Levine ("Settling Defendants") are responsible parties pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and are jointly and severally liable for response costs incurred and to be incurred at the Site, together with interest.

D. The Settling Defendants that have entered into this Consent Decree do not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaint.

E. The United States has reviewed the Financial Information submitted by Settling Defendants to determine whether Settling Defendants are financially able to pay response costs incurred and to be incurred at the Site. Based upon this Financial Information, the United States has determined that Settling Defendants have limited financial ability to pay for response costs incurred and to be incurred at the Site.

F. The United States and Settling Defendants agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter without further litigation and without any further adjudication of any issue of fact or law is appropriate, and that this Consent Decree is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby ORDERED, ADJUDGED and DECREED:

## II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over Settling Defendants. Solely for the purposes of this Consent Decree and the underlying complaints, Settling Defendants waive all objections and defenses that they may have to jurisdiction of the Court or to venue in this District. Settling Defendants shall not challenge entry or the terms of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

## **VII. FAILURE TO COMPLY WITH CONSENT DECREE**

9. **Interest on Payment.** If Settling Defendants fail to make the payment required by Paragraph 5 (Payment of Response Costs) by the required due date, Interest shall accrue on the unpaid balance from the Effective Date through the date of payment.

### **10. Stipulated Penalty**

a. If any amounts due to EPA under Paragraph 5 (Payment of Response Costs) are not paid by the required date, Settling Defendants shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 9 (Interest on Payments), \$500 per Day that such payment is late.

b. Stipulated penalties are due and payable within 30 Days after the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as “stipulated penalties” and shall be made by Fedwire EFT to:

c. At the time of payment, Settling Defendants shall send notice that payment has been made to EPA and DOJ in accordance with Paragraph 8 (Notice of Payment).

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendants of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the Day after payment is due and shall continue to accrue through the date of payment. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

11. If the United States brings an action to enforce this Consent Decree, Settling Defendants shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendants’ failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendants from payment as required by Section VI (Payment of Response Costs) or from performance of any other requirements of this Consent Decree.

#### **VIII. COVENANTS BY PLAINTIFF**

14. Except as specifically provided in Section IX (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Settling Defendants pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), regarding the Site. With respect to present and future liability, these covenants shall take effect upon the Settling Defendants’ payment of the amount due under Paragraph 5, which is due no later than 30 Days after the Effective Date. These covenants are conditioned upon the

satisfactory performance by Settling Defendants of their obligations under this Consent Decree. These covenants are also conditioned upon the veracity and completeness of the Financial Information provided to EPA by Settling Defendants and the financial, insurance, and indemnity certification made by Settling Defendants in Paragraph 26. These covenants extend only to Settling Defendants and do not extend to any other person.

#### **IX. RESERVATION OF RIGHTS BY UNITED STATES**

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within Paragraph 14 (Covenants by Plaintiff). Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendants with respect to:

- a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability based on the ownership or operation of the Site by Settling Defendants when such ownership or operation commences after signature of this Consent Decree by Settling Defendants;
- e. liability based on Settling Defendants' transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendants; and
- f. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

16. Notwithstanding any other provision of this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, if the Financial Information provided by Settling Defendants, or the financial, insurance, or indemnity certification made by Settling Defendants in Paragraph 26, is false or, in any material respect, inaccurate.

#### **X. COVENANTS BY SETTLING DEFENDANTS**

17. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to the Site and this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the State Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim pursuant to Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law, relating to the Site.

18. Except as provided in Paragraph 20 (claims against other PRPs) and Paragraph 25 (Res Judicata and other Defenses), these covenants shall not apply in the event the United States brings a cause of action or issues an order pursuant to any of the reservations set forth in Section IX (Reservations of Rights by United States), other than in Paragraph 15.a (liability for failure to meet a requirement of the Consent Decree) or 15.b (criminal liability), but only to the extent that Settling Defendants' claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

20. Settling Defendants agree not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that it may have for response costs relating to the Site against each other or any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against such Settling Defendant.

## **XI. EFFECT OF SETTLEMENT/CONTRIBUTION**

21. Except as provided in Paragraph 20 (claims against other PRPs), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by Settling Defendants), each of the Parties expressly reserves any and all rights (including, but not limited to, under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

22. The Parties agree, and by entering this Consent Decree this Court finds, that this settlement constitutes a judicially-approved settlement pursuant to which Settling Defendants are resolving liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and are entitled, as of the date of Settling Defendants' payment under

Paragraph 5, due within 30 Days of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States or any other person, except for the State; provided, however, that if the United States exercises rights under the reservations in Section IX (Reservations of Rights by United States), other than in Paragraphs 15.a (liability for failure to meet a requirement of Consent Decree) or 15.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions that are within the scope of the exercised reservation.

23. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Defendants are resolving liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

24. Settling Defendants shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendants also shall, with respect to any suit or claim brought against them for matters related to this Consent Decree, notify EPA and DOJ in writing within 10 days after service of the complaint or claim upon it. In addition, Settling Defendants shall notify EPA and DOJ within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

25. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiff set forth in Section VIII.

## **XII. CERTIFICATIONS BY SETTLING DEFENDANTS**

26. Settling Defendants certify that, to the best of their knowledge and belief, after thorough inquiry, they have:

a. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, documents, or other information (including records, reports, documents and other information in electronic form other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States and that it has fully complied with any and all EPA requests for information regarding the Site and Settling Defendants’ financial circumstances, including but not limited to insurance and indemnity

information, pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B);

b. submitted to EPA financial information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the Financial Information was submitted to EPA and the time Settling Defendants execute this Consent Decree; and

c. fully disclosed any information regarding the existence of any insurance policies or indemnity agreements that may cover claims relating to cleanup of the Site, and submitted to EPA upon request such insurance policies, indemnity agreements, and information.

### **XIII. NOTICES AND SUBMISSIONS**

27. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email (if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.
