

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On August 1, 2023, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of California in the lawsuit entitled *United States v. Sinister Manufacturing Company, Inc.*, Civil Action No. 2:23-cv-01580-JDP.

The United States filed this lawsuit under the Clean Air Act (CAA). The United States' complaint names Sinister Manufacturing Company, Inc. (Sinister) as the defendant. The complaint requests civil penalties and injunctive relief for Sinister's alleged unlawful manufacture, sale, and offer for sale of aftermarket automotive devices that bypass, defeat or render inoperative emissions controls. Sinister signed the Consent Decree, under which it agrees to pay a \$500,000 civil penalty based on its limited financial ability to pay. The Consent Decree also prohibits Sinister from making, selling or offering to sell defeat products, including delete tuners, and prevents Sinister from transferring intellectual property that would allow others to make such products. To ensure compliance with these requirements, Sinister will implement an internal training program and notify its distributors and former customers about the Consent Decree.
