2023-14257	12/23/2022	MuckRock News	<p>Pursuant to the Freedom of Information Act, I hereby request the following records:</p> <p>Diplomatic Assurance Removals under CAT - Regulatory Background</p> <p>U.S. law implementing the Convention Against Torture (CAT) creates a statutory right not to be deported to a country where a person demonstrates to the satisfaction of the Attorney General, acting through the Executive Office for Immigration Review (EOIR), that it is more likely than not they will be tortured if they are removed to that country. U.S. regulations purportedly implementing this statute allow for the removal of a person granted deferral under CAT to the very country they've shown they'd be tortured, provided certain conditions are met. 8 C.F.R. 208.17(f) & 208.18(c). A person can be so removed, under these regulations, if the Secretary of State forwards Diplomatic Assurances to the Attorney General from the country that the Attorney General previously found (through a removal proceeding) would be more likely than not to torture an individual, the inquiry before the immigration court is over. 8 C.F.R. 208.18(f) & 208.18(c)(1)-(3). Diplomatic Assurance Removals under CAT - Executive Process</p> <p>According to these regulations, at least four nodes must exist in the determination of Diplomatic Assurances, and in executing removals under them. First, the Secretary of State must obtain the assurances. 8 C.F.R. 208.18(c)(1). This likely requires coordination with State Legal (L), Consular Affairs (CA), and other bureaus within the Department of State. Second, State must forward to the Attorney General, and the AG must make a determination as to whether these assurances are sufficient. That determination cannot be delegated below a deputy (DAG) level within the Department</p>	02/01/2023	Other Reasons - No Records	D(1)

2023-55759	05/22/2023	Eoir	<p>I am a current Immigration Judge with an entry on duty of August 17, 2008. My duty station is Los Angeles, California. On June 7, 2021, a former staff assistant, after she received a notice of termination, filed a complaint with the DOJ Office of Inspector General. My understanding is that the OIG declined investigation of her complaint and then I was the subject of a "workplace investigation" by EOIR Office of General Counsel. I believe the investigation took place between September 3, 2021, to December 9, 2021. The investigation was conducted by OGC Counsel Laura Robbins. She interviews myself and several of my colleagues and employees I worked with. I believe most interviews took place around October 7 to 15, 2021. On or about December 9, 2021, I was orally advised by Deputy Regional Chief Immigration Judge Daniel Daugherty that no claims of sexual harassment were substantiated. I never received any documentation regarding this investigation.</p> <p>I am now requesting any and all reports, declarations and other material relating to this workplace investigation. I do not know if it was part of the OIG investigation or if it was a separate investigation. I have requested the same documents from OIG and such FOIA/Privacy request remains pending. I have attached my certificate of identity I filed with OIG if this will help you advance my request.</p>	08/29/2023	Granted/Denied in Part	(b)(5);(b)(6)

2023-71397	08/08/2023	International Student	<p>I am an international student myself for almost a year now. And, for the past few yers I have been really concerned about the asylum seekers visa program which government has been running. As per my research and reports of homeland security aroundf 3k people come to usa illegally everyday and as per government plans to provide 1250 visa applications everyday. Their asylee status lets them work on ths land of USA they can also apply for greencard and even citizenship. The information I wanted to seek out is why government is letting them work and not letting international students work outside of campus. Due to high demand and low supply of jobs, it has become hard for students to get a job even on campus and get an SSN. Please, I also want to know the reason for letting those peoples work and not letting a highly literate proefficient english speaking students work.</p>	08/18/2023	Other Reasons - No Records	D(1)

2023-75029	08/23/2023	N/A	Good day. I am very perplex as I write this. The Dallas passport agency has not sent back my naturalization certificate since October 2022. I do not even care that I've lost time and money for travels over the course of 8 months, what is concerning for me now is the fact that I have no passport or naturalization certificate and my son just got his immigration interview date in Lagos Nigeria for October 3rd 2023 at 6:00AM. I have waited four years for this to come through and for my family to be reunited. and I cannot miss this immigration interview. I am super stress and have been on edge hoping they will mail it. I've called every single week for 8 months and sent a letter three weeks and two weeks ago to no avail. I have not also been able to change my name with the social security office which is a huge problem for me. I have a DMV DL appt on 28th August 2022 at 8:30am and do not have proof of residency. I am spent. Please help me. I just need that naturalization certificate sent back so I can get my tickets and go to Arkansas to get my passport. Even if I miss my DL appointment and everything else, I cannot not be able to go take my son this October to his visa interview. Please help. My mother initially came to the United States in 1996 and overstayed her visa, and then returned to Ecuador. After they denied her visa and came back to the United States through the border and stayed for 21 years. Over the early years she spoke to a few lawyers in order to try to get residency through my father who is a natural born citizen, however lawyers gave her false information saying she was able to marry at any date in the year of 2001 when Bill Clinton passed a law to help illegal people, however it was a law that stated to marry before a certain date in January. Also another lawyer told them both that she could seek asylum and show herself in court, however it was false and instead of going to court she was sent a letter of an order of deportation. Throughout the years she was an illegal immigrant however contributed to taxes and was a good person with no legal troubles. Then in 2017 she decided to go back to Ecuador on her own and since then has been living there.
