2024-13052	11/18/2023	-	I am a PhD student who is interested in linking the EOIR case data in the FOIA library (https://www.justice.gov/eoir/foia-library-0) to Texas State Records- education records more specifically- for a research project on how immigration cases affect children's education outcomes. I believe the Texas Education Agency would be the one to link the records.
