¹ Representation in removal, deportation, exclusion, and asylum-only proceedings. Representation status is recorded in EOIR's case management system when a representative of record is noted for a proceeding during an immigration case. A noncitizen who has representation but whose representative has not yet filed a Form EOIR-28 with EOIR is counted as unrepresented.

² Includes cases in which a charging document has been filed but a hearing has not yet occurred.

³ Initial and Subsequent Case Completions.

⁴ Asylum others have a decision of abandonment, not adjudicated, other or withdrawn. EOIR determined that creation of a "not adjudicated" code for applications would result in a more accurate description and render the "other" code unnecessary. In May 2019, EOIR deactivated the "other" code for applications.
