EOIR Data Generated: April 23, 2019

<sup>1</sup> Percentages used in assessing this population may change as more cases are completed over time and because some cases may be reopened.

<sup>2</sup> Based on USCIS data (generated April 26, 2019). Includes claims referred to EOIR in which USCIS did not make a credible fear finding because it could not obtain an interpreter.

<sup>3</sup> Closed cases include those in which a claim is dissolved or

withdrawn or an alien is found to be ineligible for the credible fear process.

<sup>4</sup> If USCIS finds that an alien has not established a credible fear, the alien may request review of that finding by an IJ. If the IJ finds that an alien has established a credible fear, then the alien (unless the alien is a stowaway) is placed in removal proceedings.
