

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA

Case No. 19-20284-CR-SMITH

UNITED STATES OF AMERICA

vs.

JOSE MELQUIADES CISNEROS ALARCON,

Defendant.

PLEA AGREEMENT

The United States Attorney's Office for the Southern District of Florida, the United States Department of Justice, Criminal Division, Fraud Section and Money Laundering & Asset Recovery Section (collectively, the "Government" or the "United States"), and Jose Melquiades Cisneros Alarcon (hereinafter referred to as the "defendant") enter into the following agreement:

1. The defendant agrees to plead guilty to Count 2 of the Indictment filed in this case, which charges the defendant with conspiracy to launder money, in violation of Title 18, United States Code, Section 1956(h).

2. The defendant is aware that the sentence will be imposed by the Court after considering the Federal Sentencing Guidelines and Policy Statements (hereinafter the "Sentencing Guidelines"), as well as other factors enumerated in Title 18, United States

Code, Section 3553(a). The defendant acknowledges and understands that the Court will compute an advisory sentence under the Sentencing Guidelines and that the applicable guidelines will be determined by the Court relying in part on the results of a Pre-Sentence Investigation by the Court's probation office, which investigation will commence after the guilty plea has been entered. The defendant is also aware that, under certain circumstances, the Court may depart from the advisory sentencing guideline range that it has computed, and may raise or lower that advisory sentence under the Sentencing Guidelines. The defendant is further aware and understands that the Court is required to consider the advisory guideline range determined under the Sentencing Guidelines but is not bound to impose that sentence; the Court is permitted to tailor the ultimate sentence in light of other statutory concerns, and such sentence may be either more severe or less severe than the Sentencing Guidelines' advisory sentence. Knowing these facts, the defendant understands and acknowledges that the Court has the authority to impose any sentence within and up to the statutory maximum authorized by law for the offense identified in paragraph 1 and that the defendant may not withdraw the plea solely as a result of the sentence imposed.

3. The defendant also understands and acknowledges that for the charge in the indictment of conspiracy to launder money in violation of Title 18, United States Code, Section 1956(h), the

Court may impose a statutory maximum term of imprisonment of up to 20 years, followed by a term of supervised release of up to five years. In addition to a term of imprisonment and supervised release, the Court may impose a fine of up to \$500,000, or twice the value of the property involved in the transactions for which the defendant conspired to launder, whichever is greater, and the Court may also order forfeiture and restitution.

4. The defendant further understands and acknowledges that, in addition to any sentence imposed under paragraph 3 of this agreement, a special assessment in the amount of \$100 per count will be imposed on the defendant. The defendant agrees that any special assessment imposed shall be paid at the time of sentencing. If the defendant is financially unable to pay the special assessment, the defendant agrees to present evidence to the Government and the Court at the time of sentencing as to the reasons for the defendant's failure to pay.

5. The Government reserves the right to inform the Court and the probation office of all facts pertinent to the sentencing process, including all relevant information concerning the offenses committed, whether charged or not, as well as concerning the defendant and the defendant's background. Subject only to the express terms of any agreed-upon sentencing recommendations contained in this agreement, the Government further reserves the

right to make any recommendation as to the quality and quantity of punishment.

6. The Government agrees to recommend at sentencing that the Court reduce by two levels the sentencing guideline level applicable to the defendant's offense, pursuant to Section 3E1.1(a) of the Sentencing Guidelines, based upon the defendant's recognition and affirmative and timely acceptance of personal responsibility. If at the time of sentencing the defendant's offense level is determined to be 16 or greater, the Government will make a motion requesting an additional one-level decrease pursuant to Section 3E1.1(b) of the Sentencing Guidelines, stating that the defendant has assisted authorities in the investigation or prosecution of his own misconduct by timely notifying authorities of his intention to enter a plea of guilty, thereby permitting the Government to avoid preparing for trial and permitting the Government and the Court to allocate their resources efficiently. The Government, however, will not be required to make this motion and this recommendation if the defendant: (1) fails or refuses to make a full, accurate, and complete disclosure to the probation office of the circumstances surrounding the relevant offense conduct; (2) is found to have misrepresented facts to the Government prior to entering into this plea agreement; or (3) commits any misconduct after entering into this plea agreement, including but not limited to committing a state or federal offense,

violating any term of release, or making false statements or misrepresentations to any governmental entity or official.

7. The Government and the defendant agree that, although not binding on the probation office or the Court, they will jointly recommend that the Court make the following findings and conclusions as to the sentence to be imposed, with both parties reserving the right to argue regarding the application or non-application of other guideline provisions not addressed below:

a. Base offense level: Pursuant to U.S.S.G. § 2S1.1(a)(1), that the base offense level for purposes of sentencing guideline calculations for the charged offenses is 12 (see §2C1.1) plus the number of offense levels from the table in §2B1.1 corresponding to the value of the laundered funds (more than \$3.5 million and less than \$9.5 million), adding 18 levels, for a total base offense level of 30;

b. Offense of conviction: That a two-level enhancement of the guideline offense level applies under U.S.S.G. § 2.S1.1(b)(2)(B) for a conviction under Title 18, United States Code, Section 1956;

c. Sophisticated means: That a two-level increase to the offense level applies since the offense involved sophisticated means pursuant to U.S.S.G. § 2S1.1(b)(3); and

d. the defendant has a Criminal History Category of I.

8. In the event that the defendant chooses to seek a variance from the sentencing guideline range, the defendant further agrees that any such application shall be filed in writing with the Court and served on the United States no later than the deadline for submitting objections to the Pre-Sentence Investigation Report stated in Federal Rule of Criminal Procedure 32(f)(1).

9. The defendant agrees, in an individual and any other capacity, to forfeit to the United States, voluntarily and immediately, all rights, title, and interest to any property, real or personal, involved in the violation of Title 18, United States Code, Section 1956(h) or any property traceable to such property. In addition, the defendant agrees to forfeiture of substitute property pursuant to 21 U.S.C. § 853(p). The property subject to forfeiture includes, but is not limited to a forfeiture money judgment in the sum of \$4,400,000 in United States currency, which sum represents the value of the property subject to forfeiture.

10. The defendant further agrees that forfeiture is independent of any assessment, fine, cost, restitution, or penalty that may be imposed by the Court. The defendant knowingly and voluntarily agrees to waive all constitutional, legal, and equitable defenses to the forfeiture, including excessive fines under the Eighth Amendment to the United States Constitution. In addition, the defendant agrees to waive: any applicable time

limits for administrative or judicial forfeiture proceedings, the requirements of Fed. R. Crim. P. 32.2 and 43(a), and any appeal of the forfeiture.

11. The defendant also agrees to fully and truthfully disclose the existence, nature and location of all assets in which the defendant has or had any direct or indirect financial interest or control, and any assets involved in the offense of conviction. The defendant also agrees to take all steps requested by the United States for the recovery and forfeiture of all assets identified by the United States as subject to forfeiture. This includes, but is not limited to, the delivery upon request of all necessary and appropriate documentation to deliver good and marketable title, consenting to all orders of forfeiture, and not contesting or impeding in any way any criminal, civil or administrative forfeiture proceedings concerning the forfeiture.

12. In furtherance of the collection of a forfeiture money judgment and/or a restitution judgment, the defendant agrees to the following:

(a) The defendant agrees to make full and accurate disclosure of his financial affairs to this Office. Specifically, within 14 calendar days from a request by this Office, the defendant shall submit a completed Financial Disclosure Statement (form provided by this Office), and shall fully disclose and identify all assets in which the defendant has

any interest and/or over which the defendant exercises control, directly or indirectly, including those held by a spouse, nominee, or other third party. Upon request by this Office, the defendant agrees to provide in a timely manner all financial information requested, including all financial information provided to the United States Probation Office, and to meet in person to identify assets which may be used to satisfy a forfeiture money judgment and/or the restitution judgment.

(b) The defendant agrees to not sell, hide, waste, encumber, destroy, or otherwise devalue any asset until the forfeiture money judgment and the restitution judgment are paid in full without prior approval of the United States. The defendant shall also identify any transfer of assets valued in excess of \$5,000 since the commencement of the offense conduct to date, including the identity of the asset, the value of the asset, the identity of the third party to whom the asset was transferred, and the current location of the asset.

(c) The defendant agrees to cooperate fully in the investigation and the identification of assets to be applied toward forfeiture and/or restitution. The defendant agrees that providing false or incomplete information about assets, or hiding, selling, transferring or devaluing assets and/or failing to cooperate fully in the investigation and identification of assets may be used as a basis for: (i) separate prosecution, including,

under 18 U.S.C. § 1001; or (ii) recommendation of a denial of a reduction for acceptance of responsibility pursuant to the United States Sentencing Guidelines § 3E1.1.

(d) The defendant further agrees to liquidate assets, or complete any other tasks which may result in immediate payment of the forfeiture money judgment and/or the restitution judgment in full, or full payment in the shortest amount of time, as requested by the United States.

(e) The defendant shall notify, within 30 days, the Clerk of the Court for the Southern District of Florida and this Office of: (i) any change of name, residence, or mailing address, and (ii) any material change in economic circumstances that affects the ability to pay the forfeiture.

13. The defendant is aware that Title 18, United States Code, Section 3742 and Title 28, United States Code, Section 1291 afford the defendant the right to appeal the sentence imposed in this case. Acknowledging this, in exchange for the undertakings made by the United States in this plea agreement, the defendant hereby waives all rights conferred by Sections 3742 and 1291 to appeal any sentence imposed, including any restitution order, or to appeal the manner in which the sentence was imposed, unless the sentence exceeds the maximum permitted by statute or is the result of an upward departure and/or an upward variance from the advisory guideline range that the Court establishes at sentencing. The

defendant further understands that nothing in this agreement shall affect the Government's right and/or duty to appeal as set forth in Title 18, United States Code, Section 3742(b) and Title 28, United States Code, Section 1291. However, if the United States appeals the defendant's sentence pursuant to Sections 3742(b) and 1291, the defendant shall be released from the above waiver of appellate rights. In addition to the foregoing provisions, the defendant hereby waives all rights to argue on appeal that the statute to which the defendant is pleading guilty is unconstitutional and that the admitted conduct does not fall within the scope of the statute. By signing this agreement, the defendant acknowledges that the defendant has discussed the appeal waiver set forth in this agreement with the defendant's attorney.

14. The defendant is aware that the sentence has not yet been determined by the Court. The defendant also is aware that any estimate of the probable sentencing range or sentence that the defendant may receive, whether that estimate comes from the defendant's attorney, the Government, or the probation office, is a prediction, not a promise, and is not binding on the Government, the probation office, or the Court. The defendant understands further that any recommendation that the Government makes to the Court as to sentencing, whether pursuant to this agreement or otherwise, is not binding on the Court, and the Court may disregard the recommendation in its entirety. The defendant understands and

acknowledges, as previously acknowledged in paragraph 2 above, that the defendant may not withdraw his plea based upon the Court's decision not to accept a sentencing recommendation made by the defendant, the Government, or a recommendation made jointly by both the defendant and the Government.

15. The defendant recognizes that pleading guilty may have consequences with respect to the defendant's immigration status if the defendant is not a citizen of the United States or if the defendant is a naturalized citizen of the United States. Under federal law, a broad range of crimes are removable offenses, including the offense to which the defendant is pleading guilty. Indeed, because the defendant is pleading guilty to a conspiracy to launder money, removal is presumptively mandatory. Removal and other immigration consequences are the subject of a separate proceeding, however, and defendant understands that no one, including the defendant's attorney or the Court, can predict to a certainty the effect of the defendant's conviction on the defendant's immigration status. Defendant nevertheless affirms that the defendant wants to plead guilty regardless of any immigration consequences that the defendant's plea may entail, even if the consequence is the defendant's automatic removal from the United States.

16. This is the entire agreement and understanding between the United States and the defendant. There are no other
