Hello Commissioners and Presenters,

We are looking forward to continuing our teleconference panels. Next week we complete the series of panels related to Crime Reduction, and beginning the panels related to Reentry. The focus of next week's panels will be on technology tools related to crime reduction, and a panel related to survivors of crime. We will finish up the week with a panel on the state of reentry. We have another distinguished group of panelists lined up to participate and share their testimony with you all.

We have had a tremendous turnout from both Commissioners and Working Group members for the panel calls thus far, and this week's calls each had 100 or more Commissioners, Working Group Chairs and members, staff, and press participating in each call. I hope you will be able to make the effort to join this call in spite of all the various responsibilities you are juggling at this moment.

Attached please find a schedule and bios for next week's panels and speakers. We will provide you with testimony and sample questions separately prior to each call.

Thank you again for your commitment and service, and we look forward to hearing from you soon,

Phil Keith, Chair

President's Commission on Law Enforcement and the Administration of Justice
