STIPULATION

Pursuant to the Court’s ruling and direction at the previous restitution hearing, the parties hereby stipulate to restitution in the amounts shown on the attached restitution schedule. This schedule reduces the amount of restitution for certain victims based on separate redress payments received by those victims through civil litigation brought by the Federal Trade Commission. Personal identifying information has been redacted from the attached schedule, and an unredacted version of the schedule will be provided to the Probation Office and the Clerk of the Court. In addition, the government has removed certain names from the restitution schedule for which it does not have an address or other contact information.

The total restitution amount per the submitted schedule is \$41,998,689.27.

SO STIPULATED.
