1/ This chart generally references the authorizations of appropriations, not the Acts authorizing operation of specific programs.

2/ The Department proposes to change the appropriations heading from "General Administration" to "Justice Operations, Management, and Accountability" with additional changes to the "Salaries and Expenses" appropriation to reflect the change. This change is intended to better reflect the vital Departmental functions JOMA supports.

3/ The amount is subject to negotiation between the Attorney General and Secretary for Health and Human Services.

4/ Number includes total appropriation, including \$4.0 million transfer from DHS Immigration Examinations Fee.

5/ The National Security Division was established by Section 506(b)(1), P.L. 109-177, and received appropriations in FY 2007 - 2023. However, there have not been any authorizations of appropriations for the National Security Division.

6/ On July 29, 2019, the Never Forget the Heroes: James Zadroga, Ray Pfeifer, and Luis Alvarez Permanent Authorization of the September 11th Victim Compensation Fund, Public Law No. 116-34 ("Permanent Authorization Act") was signed into law. The Act extends the VCF's claim filing deadline to October 1, 2090 and appropriates such funds as may be necessary in each fiscal year (FY) through FY 2092 to pay all eligible claims.

7/ This includes \$3.0 billion to establish a lump sum catch-up payment reserve fund for Beirut and Khobar Towers claimants, as provided in the FY 2023 Consolidated Appropriations Act (HR 2617-1651). In addition, such sums as are necessary are appropriated to pay the 9/11 victim lump sum catch-up payments, as stated in the FY 2023 Consolidated Appropriations Act (HR 2617-1649). A new category B line item is included for this funding. The current apportionment includes \$2.65 billion. A GAO report estimated \$2.7 billion for the amount needed for 9/11 catchup payments, which is what this estimated derived from.

8/ In FY2023 and FY2024 the Office for Access to Justice (ATJ) amounts are rolled up under the General Legal Activities account. In FY 2025 the Office for Access to Justice is requesting to have its own separate Treasury account, moving it out of the General Legal Activities account.

9/ The Radiation Exposure Compensation - Trust Fund was set to terminate on July 11, 2022, the same day the program sunsets. However, the RECA Extension Act of 2022 was signed into law on June 7, 2022. This law provides a two-year extension to the RECA Trust Fund and the filing deadline for new claims from its date of enactment.

10/ The Department proposes to change the appropriations heading from "Interagency Crime and Drug Enforcement (ICDE)" to "Organized Crime and Drug Enforcement Task Forces (OCDEF)." This change better reflects the organization's work.

11/ The Consolidated Youth Oriented Program includes the following programs: Engaging Men and Youth in Prevention, Grants to Assist Children and Youth Exposed to Violence, Supporting Teens Through Education Program, and Services to Advocate and Respond to Youth.

**** This carveout is not included in the appropriations acts, but does appear in the accompanying report language.
