

IMPORTANT NOTICE: XML files of Equitable Sharing Agreement and Certification (ESAC) forms are no longer accepted and processed via email. All ESACs must now be submitted through the eShare Portal.

If you, the submitter, do not yet have access to the eShare Portal, please contact your agency's eShare Portal Administrator. If your agency does not have access to the eShare Portal, the Finance Contact as listed on your previous ESAC filing must contact the eShare helpdesk at 202-616-2287 or forfeiture.systems@usdoj.gov to obtain access. The Administrator will then assign user rights for creator and submitter.

For additional information about this change, please see the Equitable Sharing Wire issued January 13, 2016 which can be found at <http://www.justice.gov/criminal-afmls/file/812801/download>.
