## **Foreword**

### **To the Senate and House of Representatives of the United States of America in Congress Assembled:**

On behalf of the Attorney General, we have the honor to report on the administration of the Foreign Agents Registration Act of 1938, as amended, pursuant to Section 11 of the Act (22 U.S.C. § 621), which requires the Attorney General to report every six months to the Congress concerning the administration of the Act, as well as the nature, sources and content of informational materials disseminated and distributed by agents of foreign principals registered under the Act. This report covers the administration and enforcement of the Foreign Agents Registration Act for the six months ending June 30, 2014.

The text of this report lists, according to geographical area or nationality field, all agents who were registered at any time during the first six months of 2014, or who reported for the first time in that period activities, receipts or disbursements for the previous period. It includes the identities of the agents and their foreign principal(s), a description of the agent's activities, a total figure for monies received, a description of any informational materials disseminated, and a listing of all individual agents. This report, and information on the activities of foreign agents, can be accessed on the FARA website, which is linked through the National Security Division at [www.usdoj.gov/nsd/](http://www.usdoj.gov/nsd/).

Improvements continue to be made to the Foreign Agents Registration Act computerized records system and Internet website, <http://www.fara.gov/>. In response to the Honest Leadership and Open Government Act of 2007, FARA registrants shall file registration statements and supplements in electronic form. In April 2011, the Department of Justice unveiled FARA eFile, a system for the electronic filing of registration statements and supplements. The system enables foreign agents to electronically file documents with the Department of Justice. It is an intuitive online filing process, which allows registrants to register and pay the required registration fees online 24 hours a day, seven days a week. Additional information about FARA eFile can be found at [www.fara.gov/efile-faq.html](http://www.fara.gov/efile-faq.html).

An important purpose served by the Foreign Agents Registration Act is to inform the Government and the people of the United States of the identity of persons engaging in political activities for or on behalf of foreign governments, foreign political parties and other foreign principals, so that their statements and activities can be viewed in light of their associations.

Registration under the Act does not imply recognition by the United States Government of the legitimacy of any particular foreign government, or foreign political party. Furthermore, registration does not indicate approval by the United States Government of the activities of registered agents or the content of any informational materials they disseminate.

## Statistical Summary

During the six month period ending June 30, 2014, the Department received 29 new registration statements and terminated 12 registrations. A total of 378 active registrations, representing 538 foreign principals were on file during the period of January 1, 2014 through June 30, 2014. Individuals acting as officials or employees or rendering assistance to a registrant for or in the interests of the latter's foreign principal filed 261 new short form registration statements under the Act, bringing the total short form registrations to 1,871 during the period of January 1, 2014 through June 30, 2014. There were 71 new agreements with foreign principals reported by agents under the Act, and 55 agreements with foreign principals were terminated during this period.

Pursuant to P.L. 102-395 enacted on October 6, 1992, which authorized the Attorney General to establish fees to recover the cost of administering the Foreign Agents Registration Act, \$138,165.00 in fees was received during the six month period ending June 30, 2014. A total of \$9,061,891.30 has been collected since the program was initiated through June 30, 2014.

Respectfully submitted,

Peter J. Kadzik  
Assistant Attorney General  
Office of Legislative Affairs
