**AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT  
AND ARREST WARRANT**

I, [REDACTED], being first duly sworn, hereby depose and state as follows:

**PURPOSE OF AFFIDAVIT**

1. This Affidavit is submitted in support of a Criminal Complaint charging JOHN EARLE SULLIVAN (SULLIVAN) with violations of 18 U.S.C. §§ 231(a)(3) & 2, 18 U.S.C. § 1752(a), and 40 U.S.C. § 5104(e)(2). I respectfully submit that this Affidavit establishes probable cause to believe that SULLIVAN (1) committed or attempted to commit, any act to obstruct, impede, or interfere with any fireman or law enforcement officer lawfully engaged in the lawful performance of his official duties incident to and during the commission of a civil disorder which in any way or degree obstructs, delays, or adversely affects the performance of any federally protected function; (2) did knowingly enter or remain in any restricted building or grounds without lawful authority, or did knowingly, and with intent to impede or disrupt the orderly conduct of Government business or official functions, engage in disorderly or disruptive conduct, and (3) did willfully and knowingly engage in disorderly or disruptive conduct, at any place in the Grounds or

in any of the Capitol Buildings with the intent to impede, disrupt, or disturb the orderly conduct of a session of Congress or either House of Congress, or the orderly conduct in that building of any deliberations of either House of Congress. Specifically, on or about January 6, 2021, SULLIVAN knowingly and willfully joined a crowd of individuals who forcibly entered the U.S. Capitol and impeded, disrupted, and disturbed the orderly conduct of business by the United States House of Representatives and the United States Senate.

### **BACKGROUND OF AFFIANT**

2. I am a Special Agent with the United States Department of Justice, Federal Bureau of Investigation (FBI), and have been employed in that capacity for nine years. I am currently assigned to the Salt Lake City Division of the FBI and have primary investigative responsibility for federal crimes related to national security and domestic terrorism. I gained experience in the conduct of such investigations through previous case investigations, formal training, and in consultation with law enforcement partners in local, state, and federal law enforcement agencies. I have been trained to investigate federal crimes and have investigated an array of complex federal crimes. I have training and experience in the use of cellular telephones during and in the furtherance of criminal activity. I also have training and experience in the searching of cellular telephones to ascertain evidence of criminal conduct that may be present on such devices. In these investigations, I have been involved in the application for and execution of numerous arrest and search warrants related to the aforementioned criminal offenses. Through my training and experience, I am familiar with the actions, habits, traits, methods, and terminology utilized by violent criminal offenders.

3. Unless otherwise stated, the information in this Affidavit is either personally known to me, has been provided to me by other individuals, or is based on a review of various documents,

records, and reports. Because this Affidavit is submitted for the limited purpose of establishing probable cause to support an application for an arrest warrant, it does not contain every fact known by me or the United States. The dates listed in this Affidavit should be read as “on or about” dates.

### **BACKGROUND**

4. The U.S. Capitol, which is located at First Street, SE, in Washington, D.C., is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification are allowed access inside the U.S. Capitol.

5. On January 6, 2021, the exterior plaza of the U.S. Capitol was closed to members of the public.

6. On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

7. As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep

the crowd away from the Capitol building and the proceedings underway inside. The crowd included many people who expressly objected to the conduct of the proceedings to certify the vote count of the Electoral College of the 2020 Presidential Election, and who expressly stated that their purpose was to stop or disrupt those proceedings.

8. At approximately 2:00 p.m., certain individuals in the crowd forced their way through, up, and over the barricades, and past officers of the U.S. Capitol Police, including by engaging in assaultive and abusive conduct towards officers of the U.S. Capitol Police who lawfully attempting to block access to the U.S. Capitol. The crowd then advanced to the exterior façade of the building. The crowd was not lawfully authorized to enter or remain in the building and, prior to entering the building, no members of the crowd submitted to security screenings or weapons checks by U.S. Capitol Police Officers or other authorized security officials.

9. At such time, the certification proceedings, specifically, the proceedings in the House and Senate to address the objection, were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, shortly after 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

10. Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, all proceedings of the United States Congress, including the joint session, were effectively suspended until shortly after 8:00 p.m. the same day. In light of the dangerous circumstances caused by the unlawful entry

to the U.S. Capitol, including the danger posed by individuals who had entered the U.S. Capitol without any security screening or weapons check, Congressional proceedings could not resume until after every unauthorized occupant had left the U.S. Capitol, and the building had been confirmed secured. The proceedings resumed at approximately 8:00 pm after the building had been secured. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the session resumed.

11. SULLIVAN, DOB 07/18/1994, is a resident of Utah. Based on publicly available information and information provided by SULLIVAN in an interview on January 7, 2021, described further below, SULLIVAN is the leader of an organization called Insurgence USA through which he organizes protests. On July 13, 2020, SULLIVAN was charged with Rioting and Criminal Mischief by the local law enforcement authorities in Provo, Utah, based on his activities around a June 30, 2020, protest in which a civilian was shot and injured. The case is still pending.

12. The United States obtained a video of SULLIVAN, posted on YouTube, in which, while attending a protest in Washington, D.C., SULLIVAN can be seen telling a crowd, over a microphone, “we about to burn this shit down,” “we got to rip Trump out of office . . . fucking pull him out of that shit . . . we ain’t waiting until the next election . . . we about to go get that motherfucker.” SULLIVAN then can be seen leading the crowd in a chant of, “it’s time for a revolution.”<sup>1</sup>

#### **STATEMENT OF FACTS SUPPORTING PROBABLE CAUSE**

13. On January 7, 2021, SULLIVAN participated in a voluntary interview with a Federal Bureau of Investigation Special Agent in Washington, D.C. SULLIVAN identified himself to the

---

<sup>1</sup> Your affiant understands that SULLIVAN’s other conduct does not provide a basis for finding probable cause he committed the offenses alleged in this affidavit. I provide this information as background and as evidence of SULLIVAN’s intent and modus operandi as would be admissible under Fed. R. Evid. 404(b).

agent and provided identifying information, including his date of birth, address, social media identifiers, and phone numbers. In the interview, SULLIVAN stated that he was in Washington, D.C. to attend and film the “Stop the Steal” March on January 6, 2021. SULLIVAN claimed to be an activist and journalist that filmed protests and riots, but admitted that he did not have any press credentials.

14. SULLIVAN also stated that he was at the U.S. Capitol on January 6, 2021, when scores of individuals entered it. SULLIVAN stated he was wearing a ballistic vest and gas mask while there. He showed the interviewing agent the ballistic vest. He further stated that he entered the U.S. Capitol with others through a window that had been broken out. SULLIVAN stated he followed the crowd as the crowd pushed past U.S. Capitol Police and followed the crowd into the U.S. Capitol.

15. SULLIVAN further stated that he had been present at the shooting of a woman within the U.S. Capitol by a U.S. Capitol Police officer and that he had filmed the incident. During the interview, SULLIVAN showed the interviewing agent the footage he had taken, which SULLIVAN stated he had uploaded to the Internet. The footage showed the area immediately outside of the Speaker’s Lobby within the U.S. Capitol. I know from public source information that the Speaker’s Lobby is the hallway from which one can enter directly into the chamber of the U.S. House of Representatives. The Speaker’s Lobby is set off from the rest of the Capitol Building by doors with glass windows. The footage that SULLIVAN showed the interviewing agent included footage of individuals breaking out the glass from the windows in the doors leading into the Speaker’s Lobby, then a gun being discharged by a U.S. Capitol Police officer within the Speaker’s Lobby, and a woman falling back into the crowd from a position of climbing through the opening in one of the broken windows with a gunshot wound. This woman was later identified as

Victim 1.

16. SULLIVAN also voluntarily provided two phone numbers and multiple social media accounts and identifiers to special agents, including a YouTube account username, JaydenX.

17. At the conclusion of the interview, SULLIVAN stated that he was willing to voluntarily provide a copy of all footage he recorded within the U.S. Capitol to law enforcement authorities.

18. On January 9, 2021, a task force officer with the FBI made contact with SULLIVAN at one of the phone numbers SULLIVAN provided during his January 7 interview to follow up on SULLIVAN's offer to voluntarily provide his footage. SULLIVAN told the task force officer that the video he took within and around the U.S. Capitol on January 6, 2021, was in an iCloud account. The same day, SULLIVAN sent a link to law enforcement from a Google Photos account under the name "John Sullivan," with an approximately 50 minute video. I have reviewed the video.<sup>2</sup>

19. The video footage records approaching, entering, and moving through the U.S. Capitol on January 6, 2021. Although the video rarely shows SULLIVAN, at various points during it, SULLIVAN narrates as he is moving and can be heard speaking to other individuals and law enforcement officers. I recognize SULLIVAN's voice in the video based on a January 11, 2021 voluntary interview I conducted with SULLIVAN at his residence, as described further below. In addition, at one point the camera pans to an individual wearing a tactical vest and holding a gas mask, as seen in the screenshots below, that match those SULLIVAN showed me during the interview conducted on January 11, 2021, also as further described in the paragraphs below:

---

<sup>2</sup> A portion of the video with all of the clips discussed in this affidavit is also publicly available on a YouTube channel attributed to "JaydenX" here: <https://www.youtube.com/watch?v=PfiS8MsfSF4&bpctr=1610480291> (last visited on January 13, 2021).

20. Among other things, the video SULLIVAN recorded and provided to law enforcement includes the following:

- a. SULLIVAN filming at the front of a crowd as they push through police

barriers on the west side of the U.S. Capitol. At the first moment the crowd breaks through, SULLIVAN can be heard saying, “they’re going in.” The video follows the crowd as they move toward the Capitol Building where SULLIVAN captured additional scenes of individuals breaking through police barriers:

b. After the crowd broke through the last barricade, and as SULLIVAN and the others approach the Capitol Building, SULLIVAN can be heard in the video saying at various points: “There are so many people. Let’s go. This shit is ours! Fuck yeah,” “We accomplished this shit. We did this together. Fuck yeah! We are all a part of this history,” and “Let’s burn this shit down.”

c. Later, SULLIVAN’s video includes footage of individuals climbing a wall to reach a plaza just outside the Capitol Building entrance, as seen in the screenshot below. As individuals are climbing the wall, SULLIVAN can be heard saying, “You guys are fucking savage. Let’s go!”

d. At one point, SULLIVAN can be heard telling one of the individuals climbing the wall to give SULLIVAN his hand as individuals in the crowd are calling to help people up the wall.

e. The video records SULLIVAN's entrance into the U.S. Capitol building through a broken window:

f. SULLIVAN, once inside the Capitol Building, roamed the building with other individuals who unlawfully entered. During one of his interactions with others, SULLIVAN can be heard in the video saying, “We gotta get this shit burned.” At other times as he is walking through the Capitol, SULLIVAN can be heard saying, among other things, “it’s our house motherfuckers” and “we are getting this shit.”

g. In addition, several times during the video, SULLIVAN encounters law enforcement officers who are trying to prevent further advancement through the building by those who entered unlawfully. In at least two encounters, SULLIVAN can be heard on the video arguing with the officers, telling them to stand down so that they do not get hurt. Among other things, SULLIVAN can be heard telling officers, “you are putting yourself in harm’s way,” “the people have spoken,” and “there are too many people, you gotta stand down, the people out there that tried to do that shit, they got hurt, I saw it, I’m caring about you.”

h. At one point in the video, SULLIVAN enters an office within the U.S. Capitol, as seen in the screenshot below. Once inside the office, SULLIVAN approaches a window, also seen in the screenshot below, and states, “We did this shit. We took this shit.”

i. While at the window, a knocking noise is heard off-screen. The camera then pans to show more of the window and a broken pane can be seen that was not broken on SULLIVAN's approach to the window:

SULLIVAN can then be heard saying, "I broke it. My bad, my apologies. Well they already broke a window, so, you know, I didn't know I hit it that hard. No one

got that on camera.” SULLIVAN then exits the office.

j. At another point in the video, SULLIVAN joins a crowd trying to open doors to another part of the U.S. Capitol which are guarded by law enforcement officers, as seen in the screenshot below. SULLIVAN can be heard on the video telling other individuals in the crowd, “there’s officers at the door.” Less than two minutes later, while officers are still at the doors and as others yell to break the glass windows in them with various objects, SULLIVAN can be heard saying, “Hey guys, I have a knife. I have a knife. Let me up.” SULLIVAN does not, however, ever make it to the doors.

k. Eventually, individuals in the crowd outside the doors announce that the officers are leaving and “giving us the building.” As the crowd begins to part so the officers can leave, SULLIVAN can be heard saying, “Haul that motherfucker out this bitch.”

l. At another time in the video, SULLIVAN is walking down a hallway in the

U.S. Capitol with a large group of people. SULLIVAN pans to a closed door and can be heard saying, “Why don’t we go in there.” After someone hits against the door, SULLIVAN can be heard saying, “That’s what I’m sayin’, break that shit.” Further down the hall, SULLIVAN can be heard saying, “It would be fire if someone had revolutionary music and shit.”

m. In the video, once SULLIVAN reaches the Speaker’s Lobby, where Victim 1 was eventually shot, SULLIVAN can be heard telling one of the law enforcement officers guarding the doors, as seen in the screenshot below, “We want you to go home. I’m recording and there’s so many people and they’re going to push their way up here. Bro, I’ve seen people out there get hurt. I don’t want to see you get hurt.”

n. Eventually, the law enforcement officers begin to exit and individuals within the crowd move toward the doors. As this is happening, SULLIVAN can be heard yelling after the officers, “I want you to go home,” and then yelling, “Go! Go! Get

this shit!” SULLIVAN then films as others in the crowd try to break out the glass in the entryway door windows. Shortly thereafter, the video includes footage of Victim 1 getting shot as she tries to enter through the window opening.

21. Subsequent to the events at the U.S. Capitol, SULLIVAN provided interviews to various news outlets including CNN and ABC’s Good Morning America program. In the interviews, SULLIVAN described the scene inside the Capitol Building on January 6, 2021.

22. On January 11, 2021, your affiant conducted a voluntary interview with SULLIVAN at SULLIVAN’s residence. The interview was recorded. In the interview, SULLIVAN again confirmed that he was in the U.S. Capitol, but denied having a knife. He also showed me the ballistic vest and two gas masks he stated he had in Washington, D.C. Based on my review of the video described above, the ballistic vest and one of the gas masks that SULLIVAN showed during the interview on January 11, 2021, is the same seen in the video of SULLIVAN’s activities at the U.S. Capitol on January 6, 2021.

23. At various times in his statements to law enforcement, to others inside the U.S. Capitol that were recorded in his video, and to news outlets, SULLIVAN has claimed he was at the U.S. Capitol only to document and report. In addition, your affiant is aware that, at various times, SULLIVAN has claimed to be a journalist. He has admitted, however, that he has no press credentials and the investigation has not revealed any connection between SULLIVAN and any journalistic organizations.

### **CONCLUSIONS OF AFFIANT**

25. As such, I respectfully request that the court issue an arrest warrant for SULLIVAN.

The statements above are true and accurate to the best of my knowledge and belief.
