INDICTMENT

The Grand Jury charges:

BACKGROUND

1. Defendant FAN YANG was born in the People's Republic of China (or PRC) in or about 1985, entered in the United States in or about 1999, and became a U.S. citizen in or about 2006. FAN YANG enlisted in the U.S. Navy in or about 2005 but was subsequently honorably discharged in or about 2007. After attending college and obtaining a bachelor's degree in electrical engineering, FAN YANG then reenlisted into the Navy in or about July 2012 to attend Officer Candidate School. After FAN YANG received his commission as an officer, he trained to become a naval flight officer, obtained a Top Secret security clearance, and was eventually transferred in or

about November 2014 to Naval Air Station Jacksonville. He has resided in the Middle District of Florida since that time. FAN YANG holds the rank of Lieutenant.

2. Defendant YANG YANG was born in the PRC in or about 1985. After emigrating to the United States, she married FAN YANG in or about 2013 and moved with him to the Middle District of Florida in or about November 2014. YANG YANG became a U.S. citizen in or about 2016.

3. Defendant GE SONGTAO is a resident of the PRC and not a U.S. citizen. He identified himself in a U.S. visa application as the chairman of Shanghai Breeze Technology Co. Ltd. (Shanghai Breeze), a company headquartered in Shanghai, PRC. On or about September 26, 2016, GE SONGTAO was issued a B1/B2 U.S. visa. A B1/B2 visa is a nonimmigrant visa that permits temporary entry into the United States for business and tourism purposes. GE SONGTAO has travelled to the United States on numerous occasions, including in or about July 2018.

4. Defendant ZHENG YAN is a resident of the PRC and not a U.S. citizen. ZHENG YAN is GE SONGTAO's employee. ZHENG YAN has travelled to the United States on numerous occasions, including in or about July 2018.

5. BQ Tree LLC is a Florida limited liability company that YANG YANG incorporated in or about May 2015. Both FAN YANG and YANG YANG have BQ Tree LLC business cards, which identify them as consultants for the company. Both FAN YANG and YANG YANG have used email accounts with the domain @bqtree.com to conduct business on behalf of BQ Tree LLC.

6. In or about April 2017, FAN YANG used his @bqtree.com email account to communicate with a company that offered firearms instruction in the Orlando, Florida area. FAN YANG stated that BQ Tree LLC was a consulting firm that focused on bringing Chinese businesses and U.S. businesses together. He explained that his company had a client in China that wanted to bring Chinese citizens to the United States for “firearm tourism.” FAN YANG and a representative of the firearms instruction company traded emails about this project, and FAN YANG eventually added YANG YANG as a “cc” to the exchange, explaining that she would be handling the Chinese client’s travel.

7. BQ Tree LLC has corporate bank accounts with at least two financial institutions. YANG YANG has signatory authority over those accounts. BQ Tree LLC’s account application with one such institution describes BQ Tree LLC’s business as an online office products and cellphone

accessories retailer/wholesaler. The largest source of funding for BQ Tree LLC's bank accounts are transfers from GE SONGTAO's company, Shanghai Breeze. Between in or about November 2016 and in or about August 2019, bank accounts in the name of either BQ Tree, LLC or YANG YANG received approximately \$205,270 in transfers from Shanghai Breeze and ZHENG YAN. Some of the money transferred into the BQ Tree LLC bank accounts was, in turn, transferred into the personal bank accounts of YANG YANG and FAN YANG and then used primarily for personal expenses.

8. At FAN YANG's request, GE SONGTAO has paid YANG YANG as an employee of Shanghai Breeze. On or about November 10, 2016, YANG YANG executed an employment contract with Shanghai Breeze. The contract was signed by GE SONGTAO on behalf of his company. Under the terms of the contract, during a probationary period, Shanghai Breeze agreed to pay YANG YANG a monthly salary of \$3,000, which would increase to \$5,000 per month after the probationary period. The contract describes YANG YANG's duties as handling business operations, conducting business negotiations, collaborating with other factories, declaring products at customs, and conducting other business for Shanghai Breeze in the United States.

9. Since 2016, YANG YANG, GE SONGTAO, and ZHENG YAN have frequently communicated via email. Between in or about November 2016 and in or about September 2019, YANG YANG has sent or received approximately 400 emails to or from GE SONGTAO or ZHENG YAN. These emails generally concern GE SONGTAO's efforts to purchase U.S.-manufactured vessels that have both civilian or military applications.

10. FAN YANG's communications with GE SONGTAO predate YANG YANG's. FAN YANG and GE SONGTAO began communicating over the internet no later than in or about 2008. In addition to electronic communications, FAN YANG and GE SONGTAO have met in person on several occasions, beginning no later than in or about 2013. They have met, among other places, near military installations in Jacksonville and Pensacola, Florida.

11. FAN YAN has attempted to hide from his Navy supervisors his and YANG YANG's relationship with GE SONGTAO and ZHENG YAN. For example, on or about July 9, 2018, FAN YANG submitted a NAVPERS 1336/3 (Rev. 02-2011) Special Request/Authorization Form, a document used by Navy personnel to request time off from work. FAN YANG's form requested time off from July 12 to July 16, 2018, for the stated purpose of taking his family to "Disney" for the weekend. Rather than taking their

family to a Disney amusement park, however, FAN YANG and YANG YANG flew from Jacksonville, Florida to Sioux City, Iowa on or about July 13, 2018, met with GE SONGTAO and ZHENG YAN, and then made the return trip to Jacksonville on or about July 15, 2018.

COUNT ONE
(Conspiracy to Violate Federal Firearms Laws)

1. The Grand Jury realleges and incorporates by reference the allegations in paragraphs 1 through 11 of the above Background section as though fully set forth herein.

I. The Agreement

2. From an unknown date, but beginning no later than in or about March 2017 and continuing through on or about October 17, 2019, in the Middle District of Florida, and elsewhere, the defendants,

FAN YANG,
YANG YANG,
a/k/a “Yang Chen,”
a/k/a “Yuki,” and
GE SONGTAO,
a/k/a “GST,”
a/k/a “Ge Song Tao,”
a/k/a “Sherman,”

did knowingly and willfully conspire with each other and with other persons, both known and unknown to the Grand Jury, to commit offenses against the United States, specifically:

(i) knowing possession of a firearm, that is, a Sig Sauer pistol, in and affecting interstate and foreign commerce by a person who knew he was an alien who had been admitted to the United States under a nonimmigrant visa, in violation of 18 U.S.C. § 922(g)(5); and

(ii) willful transfer, giving, and delivery of the Sig Sauer pistol to a person whom the transferor knew, and had reasonable cause to believe, did not reside in the State in which the transferor resided when neither the transferor nor the person who received the firearm was a licensed firearms dealer, importer, manufacturer, or collector, in violation of 18 U.S.C. § 922(a)(5).

II. Manner and Means

3. It was part of the conspiracy that FAN YANG, a resident of the State of Florida, would and did purchase a Sig Sauer pistol for GE SONGTAO, a resident of the PRC and an alien admitted to the United States under a nonimmigrant visa.

4. It was further part of the conspiracy that GE SONGTAO would take actual possession of the Sig Sauer pistol when in the United States.

5. It was further part of the conspiracy that YANG YANG would and did arrange to store the pistol when GE SONGTAO was not in the United States.

6. It was further part of the conspiracy that GE SONGTAO would and did pay FAN YANG and YANG YANG for the purchase and storage of the pistol.

7. It was further part of the conspiracy that the conspirators would and did engage in acts and make statements to promote and achieve the objects of the conspiracy and to hide and conceal the purposes of the conspiracy and the acts committed in furtherance thereof.

III. Overt Acts

8. In furtherance of the conspiracy and to effect the objects of that conspiracy, the following overt acts, among others, were committed by one or more of the defendants or other conspirators in the Middle District of Florida and elsewhere:

- a) On or about March 20, 2017, GE SONGTAO's company, Shanghai Breeze, wired \$40,000 to a bank account of FAN YANG and YANG YANG's company, BQ Tree LLC.
- b) On or about March 30, 2017, FAN YANG purchased a Sig Sauer pistol for approximately \$1,049 from a business in Phoenix, Arizona and directed that it be shipped to an engraving business in Union, Michigan.
- c) On or about April 25, 2017, FAN paid approximately \$159 to have the Sig Sauer pistol engraved with the phrase "NEVER OUT OF THE FIGHT" and GE SONGTAO's initials, "G.S.T."

- d) On or about April 25, 2017, FAN YANG directed the engraving company to send the Sig Sauer pistol to a federally licensed firearms dealer in Orange Park, Florida.
- e) On or about April 30, 2017, FAN YANG took possession of the Sig Sauer pistol from the firearms dealer in Orange Park.
- f) On or about April 30, 2017, in connection with taking possession of the Sig Sauer pistol, FAN YANG executed a Firearms Transaction Record (also known as ATF-form 4473). On that form, FAN YANG falsely and fraudulently certified that he was the actual transferee/buyer of the Sig Sauer pistol.
- g) On or about June 28, 2017, YANG YANG sent GE SONGTAO an email to which she attached an expense report, charging GE SONGTAO for the Sig Sauer pistol, its engraving, and the cost of a background check, against the balance of the \$40,000 that Shanghai Breeze had wired to BQ Tree LLC on or about March 20, 2017.
- h) In or about December 2017, YANG YANG rented a nearby storage unit in which to store GE SONGTAO's possessions, including the Sig Sauer firearm.
- i) On or about January 3, 2018, YANG YANG sent GE SONGTAO and ZHENG YAN an email to which she attached an expense

report, charging GE SONGTAO for the storage unit. This was the first of a series of emails to which YANG YANG attached expense reports, charging GE SONGTAO for the rental of storage units for the Sig Sauer firearm and other property.

All in violation of 18 U.S.C. § 371.

COUNT TWO
(False Statement to Federally Licensed Firearms Dealer)

1. The Grand Jury realleges and incorporates by reference the allegations in paragraphs 1 through 11 of the above Background section and paragraphs 3 through 8(i) of Count One as though fully set forth herein.

2. On or about April 30, 2017, in the Middle District of Florida, in connection with the acquisition of a firearm, that is a Sig Sauer pistol, from a federally licensed firearms dealer, the defendant,

FAN YANG,

knowingly made a false and fictitious written statement intended and likely to deceive the firearms dealer with respect to a fact material to the lawfulness of the sale and disposition of the Sig Sauer pistol, that is, FAN YANG falsely represented in writing on a Firearms Transaction Record (also known as ATF-form 4473) that he was the actual transferee/buyer of the Sig Sauer pistol when, at that time, FAN YANG was purchasing the Sig Sauer pistol on behalf

of someone else, specifically, GE SONGTAO who, as an alien admitted to the United States on a nonimmigrant visa, was prohibited from purchasing and possessing firearms.

All in violation of 18 U.S.C. §§ 922(a)(6) and 924(a)(2).

COUNT THREE

(False Statement within the Executive Branch's Jurisdiction)

1. The Grand Jury realleges and incorporates by reference the allegations in paragraphs 1 through 11 of the above Background section and paragraphs 3 through 8(i) of Count One as though fully set forth herein.

I. Introduction

2. United States government employees with access to classified information, including members of the U.S. military like FAN YANG, are subject to background investigations to determine whether giving such employees access to classified information is consistent with the interests of national security. After being given access to classified information, such employees are the subject of periodic reinvestigations. As part of this assessment, background investigators evaluate a variety of factors, including the employee's close and continuing contacts with foreign nationals to, among other things, assess whether the employee is free from conflicting allegiances and the potential for coercion. To make this determination, investigators rely

in part on employees' submission of information through the Electronic Questionnaires for Investigations Processing (e-QIP) system, which asks employees to provide information material to their fitness to hold a security clearance.

3. Under the section "Penalties for Inaccurate or False Statements," the e-QIP form states the following:

The U.S. Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines and/or up to five (5) years imprisonment. In addition, Federal agencies generally fire, do not grant security clearance, or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Your prospects of placement or security clearance are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you provide on this form and to make your comments part of the record.

4. Under "Statement of Understanding" the e-QIP form states:

I have read the instructions and I understand that if I withhold, misrepresent, or falsify information on this form, I am subject to the penalties for inaccurate or false statement (per U.S. Criminal Code, Title 18, section 1001), denial or revocation of a security clearance, and/or removal and debarment from Federal Service.

5. On or about January 7, 2019, in support of the renewal of his Top Secret security clearance, FAN YANG completed and electronically submitted his e-QIP form.

6. In e-QIP Section 13A – Employment Activities, employees are directed to “List all of your employment activities, including unemployment and self-employment, beginning with the present and working back 10 years.” FAN YANG did not list his employment (or self-employment) with BQ Tree LLC or any of BQ Tree LLC’s purported or prospective clients, such as Shanghai Breeze or GE SONGTAO.

7. In e-QIP Section 19 – Foreign Contacts, the first question reads:

Do you have, or have you had, close and/or continuing contact with a foreign national within the last seven (7) years with whom you, or your spouse . . . are bound by affection, influence, common interest, and/or obligation?

FAN YANG falsely answered “No” to this question and did not disclose the longstanding personal and business relationships that FAN YANG and YANG YANG had with GE SONGTAO and ZHENG YAN.

8. In e-QIP Section 20A – Foreign Activities, Subsection Foreign Financial Interests Controlled on Your Behalf, the first question reads: “Have you . . . EVER had any foreign financial interests (such as . . . bank accounts . . .) in which you or they have direct control or direct ownership?” The second question in this section reads: “Have you . . . EVER had any foreign financial interests that someone controlled on your behalf?” FAN YANG falsely answered “No” to both of these questions, failing to disclose that, in or

about 2013, he had a bank account with the Bank of China, over which he had given power of attorney to a third party.

9. In e-QIP Section 20B – Foreign Business, Professional Activities, and Foreign Government Contacts, the first question reads: “Have you in the last seven (7) years provided advice or support to any individual associated with a foreign business or other foreign organization that you have not previously listed as a former employer? (Answer ‘No’ if all your advice or support was authorized pursuant to official U.S. Government business.)” FAN YANG falsely answered “No” to this question, did not otherwise list Shanghai Breeze or any foreign businesses or other foreign organizations among his former employers, and did not disclose his employment with BQ Tree LLC, including his efforts with YANG YANG in or about April 2017, to organize firearms training sessions for a Chinese client.

10. A later question in e-QIP Section 20B reads: “Has any foreign national in the last seven (7) years offered you a job, asked you to work as a consultant, or consider employment with them?” FAN YANG answered “Yes” to this question, but in response to the follow up question, “Did you accept the offer?” he falsely answered, “No.” Where the form directs, “Provide explanation,” FAN YANG stated that in late 2017, GE SONGTAO had offered FAN YANG a position as a “Consultant/ U.S. representative for

his Chinese business,” which according to FAN YANG, “import[s] speedboats from the U.S. for sale in China.” FAN YANG stated that he informed GE SONGTAO that he was still in the Navy and could not take on additional work. This is FAN YANG’s only reference in his e-QIP submission to GE SONGTAO and GE SONGTAO’s business.

II. The Charge

11. On or about January 7, 2019, in the Middle District of Florida, in a matter within the jurisdiction of a department and agency of the United States, the defendant,

FAN YANG,

did knowingly and willfully make and use a writing and document containing materially false, fictitious, and fraudulent representations and entries to the United States Government, to wit, a written e-QIP form, in which he:

- (i) fraudulently failed to disclose his employment by BQ Tree LLC;
- (ii) falsely denied having, and having had, close and/or continuing contact with a foreign national within the last seven years with whom he or his spouse was bound by affection, influence, common interest, and/or obligation;
- (iii) falsely denied having had any foreign financial interests;
- (iv) falsely denied having had any foreign financial interests that

someone controlled on his behalf; and

(v) falsely denied having provided, in the last seven years, advice or support to any individual associated with a foreign business or other foreign organization.

All in violation of 18 U.S.C. § 1001(a).

COUNT FOUR
(Conspiracy to Violate Export Laws)

1. The Grand Jury realleges and incorporates by reference the allegations in paragraphs 1 through 11 of the above Background section as though fully set forth herein.

I. Introduction

2. The U.S. Department of Commerce, through the U.S. Census Bureau and the U.S. Department of Homeland Security, Customs and Border Protection, participates in and maintains the Automated Export System (AES), an electronic portal of information for exports of goods from the United States. The Census Bureau requires the filing of electronic export information (EEI) through the AES (using AESDirect) pursuant to 13 C.F.R. Part 30. The EEI is also known as a shipper's export declaration (SED). The purpose of these requirements is to strengthen the U.S. Government's ability to prevent the export of certain items to unauthorized destinations and

end users because the AES aids in targeting, identifying, and, when necessary, confiscating suspicious or illegal shipments prior to exportation. 15 C.F.R. § 30.1(b). Exporters file EEI by entering data into AES via a computer. 15 C.F.R. § 30.6(a). EEI includes the date of export, the U.S. principal party of interest, the description of the commodity to be exported, the intermediate consignee's name and address (if applicable), the ultimate consignee's name and address, and the country of ultimate destination. 15 C.F.R. § 30.6. Each filing can be identified by a unique Internal Transaction Number. Exporters, shippers, and freight forwarders are required to file an EEI for every export of goods or technology from the United States that has a value greater than \$2,500 or for which an export license was required. 15 C.F.R. § 758.1; 15 C.F.R. § 30.2.

II. The Agreement

3. From an unknown date, but beginning no later than in or about September 2018 and continuing through on or about October 17, 2019, in the Middle District of Florida, and elsewhere, the defendants,

FAN YANG,
YANG YANG,
a/k/a "Yang Chen,"
a/k/a "Yuki,"
GE SONGTAO,
a/k/a "GST,"
a/k/a "Ge Song Tao,"

a/k/a “Sherman,” and
ZHENG YAN,
a/k/a “Kari,”

did knowingly and willfully conspire with each other and with other persons, both known and unknown to the Grand Jury, to commit offenses against the United States, specifically:

(i) knowingly causing the submission of false and misleading export information through an SED and the AES, in violation of 13 U.S.C. § 305; and

(ii) fraudulently and knowingly attempting to export and send from the United States any merchandise, article, and object contrary to any law or regulation of the United States, in violation of 18 U.S.C. § 554.

III. Manner and Means

4. It was part of the conspiracy that GE SONGTAO and ZHENG YAN would and did seek to have Shanghai Breeze purchase U.S.-manufactured vessels that had both civilian and military applications for use in the PRC.

5. It was further part of the conspiracy that, to aid them in dealing with a U.S. manufacturer, GE SONGTAO and ZHENG YAN would and did enlist assistance from YANG YANG and FAN YANG’s company, BQ Tree LLC.

6. It was further part of the conspiracy that YANG YANG would and did act as the primary point of contact with a California-based marine

manufacturer (the U.S. Manufacturer), and FAN YANG would and did provide advice to YANG YANG regarding the transaction.

7. It was further part of the conspiracy that, to hide the fact that Shanghai Breeze was buying the vessels for use in the PRC's mainland, GE SONGTAO and ZHENG YAN would and did arrange for wire transfers to the U.S. Manufacturer to be made from Hong Kong, rather than mainland China.

8. It was further part of the conspiracy that GE SONGTAO and ZHENG YAN would and did provide YANG YANG with a false and fictitious shipping address for the vessels (Belt Consulting Company in Hong Kong) and a false and fictitious end user (United Vision Limited in Hong Kong).

9. It was further part of the conspiracy that YANG YANG would and did provide this false and fraudulent shipping and end user information to the U.S. Manufacturer for use in an SED, even though both FAN YANG and YANG YANG knew the information was false and fraudulent.

10. It was further part of the conspiracy that the conspirators would and did engage in acts and make statements to promote and achieve the objects of the conspiracy and to hide and conceal the purposes of the conspiracy and the acts committed in furtherance thereof.

IV. Overt Acts

11. In furtherance of the conspiracy and to effect the objects of that conspiracy, the following overt acts, among others, were committed by one or more of the defendants or other conspirators in the Middle District of Florida and elsewhere:

- a) Beginning in or about September 2018, YANG YANG began an email correspondence with representatives of the U.S. Manufacturer regarding the negotiated purchase and shipping of inflatable vessels and engines to an overseas buyer.
- b) YANG YANG forwarded certain emails with the U.S. Manufacturer to ZHENG YAN.
- c) On or about July 24, 2019, YANG YANG emailed the U.S. Manufacturer, requesting that particular engines be added to the vessels to be purchased. YANG YANG requested a quote for the engines, specifically, Evinrude 55MFE outboard engines, which are marketed “for military use.”
- d) On or about August 6, 2019, GE SONGTAO and ZHENG YAN caused the U.S. Manufacturer to receive an international wire transfer in the amount of \$79,929, ostensibly from Belt Consulting in Hong Kong.

- e) On or about September 20, 2019, YANG YANG emailed ZHENG YAN regarding the status of the pending transaction with the U.S. Manufacturer. YANG YANG attached to her email an invoice from the U.S. Manufacturer for the proposed sale of four vessels with engines and accessories. The invoice was directed to “Belt Consulting Company Limited.” The invoice listed the same address for both Belt Consulting and the intended shipping address for the goods: Unit E&F, 13/F, Wang Cheong Commercial BLDG, No. 249-253, Reclamation Street, Kowloon, Hong Kong. The invoice credited the buyer with an advance deposit of \$54,207.31 and listed \$126,550.09 as the total amount due. Regarding the attached invoice, YANG YANG wrote to ZHENG YAN that they needed to confirm that amount of the listed deposit was correct. Further, YANG YANG asked ZHENG YAN about the process for clearing the shipment through customs. In her signature block, YANG YANG identified herself as both BQ Tree LLC’s chief consultant and Shanghai Breeze’s representative in the United States.
- f) On or about September 30, 2019, GE SONGTAO and ZHENG YAN caused the U.S. Manufacturer to receive an international wire

transfer in the amount of approximately \$34,905, ostensibly from Belt Consulting in Hong Kong.

- g) On or about October 7, 2019, after the U.S. Manufacturer informed YANG YANG, via email, that the goods were ready to ship upon receipt of shipping address and end-user information, YANG YANG responded falsely via email that the “Company and delivery Address” were Belt Consulting Company Limited, Unit E&F, 13/F, Wang Cheong Commercial Building, No. 249-253, Reclamation Street, Kowloon, Hong Kong. YANG YANG further stated falsely that the end user was United Vision Limited (Hong Kong). This resulted in the submission, on or about October 8, 2019, of a false SED into the AES that the end user was Belt Consulting Company Limited in Hong Kong, rather than Shanghai Breeze, a Shanghai Breeze client, or another entity in mainland China.

All in violation of 18 U.S.C. § 371.
