Statutory Authority

34 U.S.C. 10452

About this OVW program

This program is authorized by 34 U.S.C. 10452. The Grants to Indian Tribal Governments Program (referred to as the Tribal Governments Program) (CFDA # 16.587) was authorized to assist tribal governments and authorized designees of tribal governments to respond to domestic violence, dating violence, sexual assault, sex trafficking, and stalking in their communities. For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Pursuant to 34 U.S.C. 10452, funds under this program must be used for one or more of the following purposes:

1. Develop and enhance effective governmental strategies to curtail violent crimes against women and increase the safety of Indian women consistent with tribal law and custom.
2. Increase tribal capacity to respond to domestic violence, dating violence, sexual assault, sex trafficking, and stalking crimes against Indian women.
3. Strengthen tribal justice interventions including tribal law enforcement, prosecution, courts, probation, and correctional facilities.

4. Enhance services to Indian women victimized by domestic violence, dating violence, sexual assault, sex trafficking, and stalking.
5. Work in cooperation with the community to develop education and prevention strategies directed toward issues of domestic violence, dating violence, sexual assault, sex trafficking, and stalking.
6. Provide programs for supervised visitation and safe visitation exchange of children in situations involving domestic violence, sexual assault, or stalking committed by one parent against the other with appropriate security measures, policies, and procedures to protect the safety of victims and their children.
7. Provide transitional housing for victims of domestic violence, dating violence, sexual assault, sex trafficking, or stalking, including rental or utilities payment assistance and assistance with related expenses such as security deposits and other costs incidental to relocation to transitional housing, and support services to enable a victim of domestic violence, dating violence, sexual assault, sex trafficking, or stalking to locate and secure permanent housing and integrate into a community.
8. Provide legal assistance necessary to provide effective aid to victims of domestic violence, dating violence, sexual assault, sex trafficking, and stalking who are seeking relief in legal matters arising as a consequence of that abuse or violence, at minimal or no cost to the victims.
9. Provide services to address the needs of youth (ages 11-24 years old) who are victims of domestic violence, dating violence, sexual assault, sex trafficking, or stalking and the needs of youth and children exposed to domestic violence, dating violence, sexual assault, or stalking, including support for the non-abusing parent or caretaker of the youth or child.
10. Develop and promote legislation and policies that enhance best practices for responding to violent crimes against Indian women, including the crimes of domestic violence, dating violence, sexual assault, sex trafficking, and stalking.
11. Develop, strengthen, and implement policies, protocols, and training for law enforcement regarding cases of missing or murdered Indians as described in 25 U.S.C. § 5704.
12. Compile and annually report data to the Attorney General related to missing or murdered Indians, as described in 25 U.S.C. § 5705.

OVW Priority Areas

In FY 2023, OVW has five programmatic priorities, of which the priority area identified below is applicable to this program. Applicants are strongly encouraged, but not required, to address the priority area. Applications proposing activities in the following area will be given special consideration:

Improve outreach, services, civil and criminal justice responses, prevention, and support for survivors of sexual assault, domestic violence, dating violence, and stalking from underserved communities, particularly Two-Spirit/LGBTQ+ victims.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Please note that OVW will support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be supported by this program's funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the Solicitation Companion Guide.
2. Grant funds may not be used to directly address child abuse, child endangerment, other family violence issues (such as violence perpetrated by a child against a parent or by a sibling against another sibling), or neglect or exploitation.
3. Grant funds may not be used to provide substance abuse treatment services. However, grant funds may be used for counseling and referrals related to substance abuse issues.
4. Grant funds may not be used for education and prevention activities for students not specifically related to domestic violence, dating violence, sexual assault, sex trafficking, and/or stalking, such as "sexual harassment," "bullying," or "character building."
5. Grant funds may not be used for criminal representation of victims charged with crimes, except for representation in post-conviction relief proceedings with respect to the conviction of a victim relating to or arising from domestic violence, dating violence, sexual assault, stalking, or sex trafficking victimization of the victim.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to three percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research

decision tree in the [Solicitation Companion Guide](#) to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

Activities Requiring Prior Approval

Activities listed below will require prior approval in order to be supported by grant funds (see the [Solicitation Companion Guide](#) for more information on relevant requirements).

1. Surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act.
2. Renovations, including such minor things as painting, carpeting, or installing lighting. In addition to obtaining prior approval, recipients must follow all necessary steps to ensure that funded renovations are in compliance with the National Environmental Policy Act (NEPA) and related laws, which may be time consuming and may include public notice and consultation.

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2023 funding, depending on the merits of the applications and the availability of funding.

Type of Award

Awards will be made as grants.

Project Types

Applicants may propose either:

1. a Standard Project: Applicants may propose activities under one or more of the twelve statutory purpose areas listed in the "Purpose Areas" section of this solicitation

or

2. an Improving Tribal Responses to Violence Against Native Women (ITR) Capacity-Building Project. ITR Capacity-Building applicants will initially engage in a comprehensive assessment process that identifies the strengths and gaps of their community's responses to domestic and sexual violence. Following the assessment, a customized project implementation plan will be developed in consultation with an OVW-designated Technical Assistance Provider(s).

Note: ITR Capacity-Building Projects are intended for applicants who have never received or not recently (last award closed before December 31, 2020) received an award under the Tribal Governments Program. OVW has the discretion to switch Standard Project applicants to an ITR Capacity-Building Project or vice versa.

Award Period(s) and Amount(s)

The award period is 36 months. Budgets must reflect 36 months of project activity, and the total "estimated funding" on the SF-424 must reflect 36 months. OVW anticipates that the award period will start on October 1, 2023.

This program typically makes awards in the range of \$500,000 - \$1,000,000. OVW estimates that it will make up to 60 awards for an estimated \$41,000,000.

There is no budget cap for TGP awards this fiscal year; however, it is unlikely that OVW will make awards in excess of \$1,000,000.

Five-Year Funding Option

Applicants may elect to participate in a Five-Year Funding Option. With this option, applicants in good standing may be eligible for a non-competitive supplemental 24-month award for a total of five years. Any future supplemental awards will be based on factors, including, but not limited to, grantee performance, accomplishment of project activities, appropriate spend down of existing funding, and OVW's available appropriation.

2020 Continuation Applicants ONLY

Applicants that received an award under CTAS Purpose Area #5 in 2020 are eligible for 24 months of additional noncompetitive funding up to \$600,000 to continue their projects. Any 2020 grantee who wants be considered for noncompetitive funding must submit a 24-month budget in the amount of no more than \$600,000. Participation in this noncompetitive option is not required and any 2020 continuation grantee can opt not to participate in this option.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Types of Applications

In FY 2023, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under this program or whose previous funding under this program expired on or before April 30, 2022.

Continuation: Applicants that have an existing or recently closed (after April 30, 2022) award under this program. Continuation funding is not guaranteed.

Recipients of an FY 2021 or FY 2022 36-month award under this program are not eligible to apply as the lead applicant on an FY 2023 proposal.

Note: Current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2023, without adequate justification may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2023.

Mandatory Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored training and technical assistance (TTA).
2. Collection and reporting of performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative](#) webpage.
3. OVW may conduct a program assessment or evaluation necessitating grantee involvement. Therefore, recipients may be expected to dedicate some OVW-funded time and resources to participating in an assessment or evaluation.
4. Recipients must make advance determinations of suitability for certain individuals who may interact with participating minors.

Failure to comply fully with all applicable unique entity identifier and SAM requirements (see Application and Submission section for more information on these requirements) will result in removal from consideration. An applicant with past performance issues, long-standing open audits, or an open criminal investigation also may not be considered for funding.

Note: Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from this program. See 34 U.S.C. § 12291(b)(15)(B)(ii).

Cost Sharing or Matching

This program has no matching or cost-sharing requirement.

Other Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applicants for this program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2023 solicitation.

Failure to provide required certifications may disqualify an application from further consideration. At a minimum, an application missing the required certification letter will be required to submit a certification letter prior to receiving an award. The signed certification letter must be uploaded as a separate attachment in JustGrants. Sample certification letters can be found on the [OVW website](#).

Certification of Eligibility

1. Demonstration of Collaboration with a Qualified Partner Letter

All applicants must submit a Demonstration of Collaboration with a Qualified Partner Letter. Failure to submit the required Demonstration of Collaboration with a Qualified Partner Letter with the application may result in removal from consideration.

Note: Tribal Governments with a domestic violence/sexual assault program must submit a Demonstration of Collaboration with a Qualified Partner Letter. The Demonstration of Collaboration with a Qualified Partner Letter cannot include a Tribal Government's domestic violence/sexual assault program as the "qualified partner."

As stated above, the Demonstration of Collaboration with a Qualified Partner Letter must take the form of a letter, on letterhead, signed, and dated by the applicant's authorized representative. The letter must also include the following language and information:

ITR Capacity-Building applicants must complete the "Budget and Associated Documentation" and "Budget Worksheet and Budget Narrative" sections.

5. Describe the project partner(s) expertise in the areas of domestic violence, dating violence, sexual assault, sex trafficking, and/or stalking.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below under each heading. OVW strongly encourages the use of a spreadsheet (e.g., excel, numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **10 points** and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Attach in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the [OVW website](#). Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

The budget must:

1. **2020 Continuation Grantees Only:** Applicants that received an award under CTAS Purpose Area #5 in 2020 are eligible for 24 months of additional noncompetitive

- funding up to \$600,000 to continue their projects. Any 2020 grantee who wants to be considered for noncompetitive funding must submit a 24-month budget not to exceed \$600,000. Participation in this option is not required and any 2020 continuation grantee can opt not to participate in this noncompetitive option.
2. Cover a project period of 36 months, or three years, starting October 1, 2023, and ending September 30, 2026. For FY 2023 there is no minimum or maximum award amount.
 3. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
 4. Compensate all project partners for their full level of effort, if applicable. For more information on compensating project partners, see the sample Budget Detail Worksheet on the [OVW website](#).
 5. Include sufficient funds to fully provide language access or describe other resources available to the applicant to ensure meaningful access for persons who are limited in their English proficiency because of their national origin, if applicable. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
 6. Include sufficient funds to fully provide access for individuals with disabilities or who are Deaf/hard of hearing or describe other resources available to the applicant to ensure meaningful access for such individuals, if applicable. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
 7. Compensate survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) who participate as consultants, in an advisory capacity, in focus groups, or in other work activities, if applicable.
 8. Include funds to attend OVW-sponsored TTA in the amount of \$30,000 for applicants located in the 48 contiguous states and \$35,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
 9. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the

Solicitation Companion Guide on the [OVW website](#).

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](#).

Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets.

1. Lobbying, except with explicit statutory authorization.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting) without prior approval from OVW.
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the conference.

Recipients must receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Examples of when OVW might grant such approval include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of

federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments that receive more than \$35 million in direct federal funding per year) that do not have a current negotiated (including provisional) rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Supporting Documents

Demonstration of Collaboration with a Qualified Partner Letter

All applicants must upload with their application in JustGrants a Demonstration of Collaboration with a Qualified Partner Letter, as described in the "**Eligibility Information**" section of this solicitation. Failure to submit the required Demonstration of Collaboration with a Qualified Partner Letter with the application may result in removal from consideration.

Additional Application Components

The following components will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Tribal Authorizing Resolution

Tribal Designees or Tribal Consortiums ONLY

A Tribal Designee or Tribal Consortium applicant must include with its application a Tribal Resolution or Other Document(s) Demonstrating Authority to Apply from each Tribe or Tribal Consortium member. Failure to supply this documentation may result in the application being removed from consideration. **For more information, see the "Eligibility Information" section of this solicitation.**

Letter of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the [OVW website](#).

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Summary of Other Federal Funding

Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that closed within the 12 months before the date this solicitation closes, the information must be provided in a table using the sample format found on the [OVW website](#). The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient.

Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2023 to do similar work. Provide this information in a table using the sample format found on the [OVW website](#). Both tables, if applicable, should be uploaded as attachments in JustGrants.

A determination by OVW that an award under this solicitation would duplicate other federal funds received by the applicant is grounds for removal from further consideration.

Pre-Award Risk Assessment

Each applicant must submit, as an attachment, the Pre-Award Risk Assessment. Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed in the questionnaire. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the name(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Summary Data Sheet

Each applicant must submit, as an attachment, the Summary Data Sheet, which should be one to four pages in length (single or double spaced). This document is not scored. The Summary Data Sheet does not count toward the 20-page limit for the Proposal Narrative. Several of the items below are required for every applicant for OVW funding and therefore may not be obviously relevant or specifically drafted for this program. Applicants should provide the most accurate answers. Responses to these items alone will not result in removal from consideration or determine eligibility for any funding priorities described in the solicitation for this program. Provide the following information:

1. Name, title, address, telephone number, and email address for the grant point of contact. This person must be an employee of the applicant.
2. Statement as to whether the applicant (the organization whose unique entity identifier/ DUNS number is being used for the application) will serve as a fiscal agent. A fiscal agent is an entity that does not participate in implementation of the project and passes all funds through to subrecipients, conducting only administrative activities. If this is the case, the applicant must include a statement acknowledging that, should an award be made, the applicant will be responsible for all applicable statutory, fiscal, and programmatic requirements, including those of 2 CFR Part 200, as well as all project deliverables. The applicant must also list all of the entities with which it will enter into subaward agreements to implement the project. Note: The fiscal agent must be an eligible applicant for this program.

6. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. For additional information about the safe-harbor procedure, see Disclosure of Process Related to Executive Compensation in the Budget and Associated Documentation section of this solicitation. **Note: Applicants that use the safe-harbor procedure must upload the required Disclosure of Process Related to Executive Compensation in the Budget/Financial Attachments section of JustGrants.**

If a partner/subrecipient on another pending application, provide the name of the applicant organization.
14. Statement as to whether any proposed project partner(s)/subrecipient(s) on this application is also a recipient, or partner/subrecipient, on a current grant or another pending application for this grant program. Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

1. SAM. Registration with SAM includes receiving a UEI. (**Average registration completion time – 2-3 weeks**)
2. Grants.gov (**Average registration completion time – 1 week**)
3. JustGrants. Registration with SAM and Grants.gov must be completed before an applicant can register with JustGrants. (**Average registration completion time – 3 days**)

Note: registration time frames are estimates. Applicants experiencing registration challenges (including lengthy registration wait times) should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.”

Please see the [Solicitation Companion Guide](#) for additional details regarding SAM, Grants.gov, and JustGrants registration.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the responsibility of the applicant to ensure that they are properly registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by April 25, 2023. Failure to do so may result in the application being removed from consideration for funding.

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

Additionally, applicants experiencing technical difficulties with any of the systems listed above during the registration, account update, or application submission processes should refer to the "OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: the Grants.Gov deadline is two days before the JustGrants application deadline.** If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the JustGrants application deadline.** Applicants experiencing technical difficulties during the application submission process should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster section of this solicitation.

Submission Information and Other Submission Requirements

Applications will be submitted to OVW in two steps:

Step 1: The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov - <https://www.grants.gov/web/grants/forms/sf-424-family.html>.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at JustGrants.usdoj.gov. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OVW encourages applicants to review the [Solicitation Companion Guide](#) and the JustGrants website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control (e.g., JustGrants login issue, issue with the web-based budget). OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Notify this program, via email at OVW.TribalAffairs@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at OVW.TribalAffairs@usdoj.gov.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify this program via email at OVW.TribalAffairs@usdoj.gov before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant must email the complete application packet (Proposal Narrative, Budget and Budget Narrative, Demonstration of Collaboration with a Qualified Partner Letter, and a Tribal Resolution or Other Document(s) Demonstrating Authority to Apply (Tribal Designees or Tribal Consortium Only)) and all documentation supporting the technical difficulty to this program at OVW.TribalAffairs@usdoj.gov by **9:00 p.m. E.T. on April 27, 2023**.

Technical difficulties while applying in JustGrants

1. Contact the OVW JustGrants Help Desk at OVW.JustGrantsSupport@usdoj.gov prior to the JustGrants deadline.
2. Maintain documentation of all communication with the OVW JustGrants Help Desk.
3. Actively work with the OVW JustGrants Help Desk to attempt to resolve the technical difficulty.
4. Contact this program, via email at OVW.TribalAffairs@usdoj.gov, prior to the JustGrants deadline (**9:00 p.m. E.T. on April 27, 2023**), indicating the applicant is experiencing technical difficulties with JustGrants and would like permission to submit an application via email. The email must include the following:
 - A detailed description of the technical difficulty the applicant is experiencing.
 - The contact information (name, telephone, and email) for the individual making the request.
 - The applicant's UEI number.
 - JustGrants application numbers and User Support tracking numbers.
 - The complete application packet (Proposal Narrative, Budget and Budget Narrative, Demonstration of Collaboration with a Qualified Partner Letter, and a Tribal Resolution or Other Document(s) Demonstrating Authority to Apply (Tribal Designees or Tribal Consortium Only)).

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

OVW will only accept applications after **9:00 pm ET on April 27, 2023** in cases of severe inclement weather or natural or man-made disaster. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at OVW.TribalAffairs@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Tribal Governments Program, scoring will be as follows:

1. Proposal narrative: 90 points, of which: Purpose of the proposal: 15 points for Standard applications. What will be done: 60 points for Standard applications and 90 points for ITR Capacity-Building applications. Who will implement the proposal: 15 points for Standard applications.
2. Budget worksheet and budget narrative: 10 points for Standard and ITR Capacity-Building applications.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, [external reviewers](#), or a combination of both.

OVW Peer reviewers may include victim advocates, judges, prosecutors, police officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with individuals with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority of peer reviewers are active practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by individuals with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 5 points).
2. Out-of-scope and unallowable activities (deduct up to 5 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration entirely regardless of the application's peer review score.**

Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.
7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.
9. Timely resolution of issues necessary to close out prior awards.
10. Timely resolution of issues identified during financial monitoring.
11. Timely response to OVW requests.
12. Development of deliverables that support the project goals and objectives and are of acceptable quality.
13. Implementation of the project as designed without unjustified modification.
14. Timely submission of federal financial reports (FFR).
15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2023.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

Terms and conditions for OVW awards are available on the [OVW website](#). These terms are

subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency because of their national origin have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to individuals with disabilities, including those with physical or cognitive disabilities, as well as individuals who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are fully accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Appropriate performance report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW may not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
