Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority

34 U.S.C. 12511(e)

About this OVW program

This program is authorized by 34 U.S.C § 12511(e). The Tribal Sexual Assault Services Program (TSASP) (CFDA # 16.024) supports efforts to create, maintain, and expand sustainable sexual assault services provided by Tribes, tribal organizations, and nonprofit tribal organizations within Indian country and Alaska Native villages. TSASP supported projects provide intervention, advocacy, accompaniment (e.g., accompanying victims to court, medical facilities, or police departments), support services, and related assistance for adult, youth, and child victims of sexual assault, non-offending family and household members of victims, and those collaterally affected by the sexual assault. For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

What's New About this OVW Program

The Violence Against Women Act Reauthorization Act of 2022 added “direct payments” to the list of items that may constitute “intervention and related assistance” for victims of sexual assault under the TSASP statute. See the Purpose Areas and Budget sections of this solicitation for more information.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Pursuant to 34 U. S. C. § 12511(e), funds under this program must be used to support the establishment, maintenance, and expansion of programs and projects within Indian country and Alaska Native villages to provide intervention and related assistance to those victimized by sexual assault.

By statute, 34 U.S.C. § 12511(b)(2)(C), "intervention and related assistance" includes:

1. 24-hour hotline services providing crisis intervention services and referral.
2. Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings.
3. Crisis intervention, short-term individual and group support services, direct payments, and comprehensive service coordination and supervision to assist sexual assault victims and family or household members.
4. Information and referral to assist the sexual assault victim and family or household members.
5. Community-based, culturally specific services and support mechanisms, including outreach activities for underserved communities
6. The development and distribution of materials on issues related to the services described in (1) – (5).

Note: Direct payments to victims and their family or household members must be for costs directly related to the sexual assault.

OVW Priority Areas

In FY 2023, OVW has five programmatic priorities, of which the priority area identified below is applicable to this program. Applicants are strongly encouraged, but not required, to address a priority area. Applications proposing activities in the following area will be given special consideration.

1. Improve outreach, services, and support for survivors of sexual assault from underserved victims within tribal communities, particularly two-spirit victims. Examples of activities that can address this priority area include proposing to provide services tailored to the needs of the underserved population or expanding referrals for services to community-based organizations that serve a particular underserved community.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions.

Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Please note that OVW will support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be supported by this program's funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the [Solicitation Companion Guide](#).
2. Activities focused on prevention efforts and public education (e.g., bystander intervention, social norms campaigns, and presentations on healthy relationships),
3. Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews.
4. Providing domestic violence or dating violence victim services unrelated to intimate partner sexual violence.
5. Sexual Assault Forensic Medical Examiner programs.
6. Sexual Assault Response Team coordination.
7. Providing training to allied professionals and the community (e.g., law enforcement, child protection services, prosecution, other community-based organizations or tribal agencies).

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to three percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the [Solicitation Companion Guide](#) to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide

also provides additional information on federal requirements related to research, assessments, and surveys.

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2023 funding, depending on the merits of the applications and the availability of funding.

Type of Award

Awards will be made as grants.

Project Types

Applicants may propose to implement either a Standard project or an Improving Tribal Responses to Sexual Assault (ITRSA) Capacity-Building project.

Standard project:

Applicants must propose activities under the TSASP statutory purpose areas.

Improving Tribal Responses to Sexual Assault (ITRSA) Capacity-Building project:

ITRSA Capacity-Building applicants will initially engage in a comprehensive assessment process that identifies the strengths and gaps of their community's responses to sexual assault. Following the assessment, a customized project implementation plan will be developed in consultation with an OVW-designated Technical Assistance Provider(s). The plan will detail short-term and long-term strategies to provide sexual assault services.

ITRSA Capacity-Building grantees will participate in individualized training and technical assistance (TTA), focused on intervention and related assistance to those victimized by sexual assault. TTA will target areas such as, but not limited to:

1) crisis intervention services and referral, 2) accompaniment and advocacy through medical, criminal justice and support social systems, 3) short-term individual and group support services, and 4) comprehensive service coordination.

Note: ITRSA Capacity-Building projects are intended for applicants that have never received or not recently received an award under the Tribal Sexual Assault Services Program. OVW retains discretion to move standard project applicants into ITRSA or vice versa.

Award Period(s) and Amount(s)

The award period is 36 months. Budgets must reflect 36 months of project activity, and the total "estimated funding" on the SF-424 must reflect 36 months. OVW anticipates that the award period will start on October 1, 2023.

This program typically makes awards in the range of \$500,000 - \$525,000. OVW estimates that it will make up to 15 awards for an estimated \$7,800,000.

Funding levels under this program for FY 2023 are:

1. Standard Projects: up to \$500,000 for the entire 36 months.
2. Improving Tribal Responses to Sexual Assault (ITRSA) Capacity-Building Projects: up to \$525,000 for the entire 36 months.

At the end of the 36-month award period, recipients of both Standard Projects and ITRSA Capacity-Building Projects may be eligible to receive 24 months of additional noncompetitive funding to continue their projects. Any future supplemental awards will be based on factors, including, but not limited to, OVW's available appropriation and grantee performance, including appropriate spending history.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Types of Applications

In FY 2023, OVW will accept applications for this program from eligible applicants that did not receive an FY 2021 or FY 2022 TSASP award. All FY 2023 awards will be processed as new awards. Recipients of an FY 2021 or FY 2022 award are not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2023 proposal.

Note: Current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2023, without adequate justification may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2023.

Mandatory Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored training and technical assistance (TTA).
2. Collection and reporting of performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative](#) webpage.
3. OVW may conduct a program assessment or evaluation necessitating grantee involvement. Therefore, recipients may be expected to dedicate some OVW-funded time and resources to participating in an assessment or evaluation..
4. All applicants participating in the Five-Year Funding Option are required to participate in a mandatory Project Implementation Workshop during the initial 36-month award period
5. **Provision of direct victim services to survivors of sexual assault.**
Applications must address both of the following requirements:

- provision of core sexual assault victim services including at minimum: crisis intervention; advocacy and accompaniment; information and referral; counseling; support groups; and support for those collaterally affected by the victimization, including the victim's non-offending family or household members; **and**
- provision of services for a broad range of survivors of sexual assault perpetrated by a non-intimate partner (e.g., victims of sex trafficking who have also experienced sexual assault, adults abused as children, male survivors, child and youth survivors, and adults sexually assaulted by a non-intimate partner, such as a stranger, neighbor, family member, or coworker).

Note: Applications failing to address both of the direct service requirements may receive a deduction in points during the review process and/or be required to

revise project goals and objectives prior to receiving an award.

10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the names(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Summary Data Sheet

The Summary Data Sheet must be uploaded as an attachment in JustGrants and should

be one to four pages in length (single or double spaced). The Summary Data Sheet does not count toward the 15-page limit for the Proposal Narrative. Several of the items below are required for every applicant for OVW funding and therefore may not be obviously relevant or specifically drafted for this program. 5. Statement as to whether the applicant is a nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code.
6. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. For additional information about the safe-harbor procedure, see Disclosure of Process Related to Executive Compensation in the Budget and Associated Documentation section of this solicitation. **Note: Applicants that use the safe-harbor procedure must upload the required Disclosure of Process Related to Executive Compensation in the Budget/Financial Attachments section of JustGrants.**

 14. Statement as to whether any proposed project partner(s)/subrecipient(s) on this application is also a recipient, or partner/subrecipient, on a current grant or another pending application for this grant program. Proposal Narrative

The Proposal Narrative may not exceed 15 pages, double-spaced, and reviewers will not read beyond this page limit. The Proposal Narrative must include the sections below. The total point value for the proposal narrative section is **80 points**. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

STANDARD PROJECTS

Purpose of the Proposal (20 points)

This section must clearly state the need for the project.

1. Describe the tribal community(ies) in the service area, including, but not limited to, traditionally underserved populations, such as communities of color, individuals with disabilities, individuals who are Deaf or hard of hearing, persons with limited English proficiency, older adults, and LGBTQ+ two-spirit communities.
 - a. Geographic location
 - b. Demographic profile of the populations in the service area (e.g. tribal and non-tribal residents, poverty rate, workforce profile, or other relevant information)
2. Using local data (reference the data source), discuss, in general, the problem of sexual assault within the tribal community.
3. Discuss culturally specific sexual assault training and TA resources needed to successfully implement the proposed project.
4. For each of the following community resources listed below, describe services currently available to the target population(s) that will be served by the project. Include both tribal and non-tribal resources. Specifically discuss gaps and/or barriers to accessing the services for American Indian and Alaska Native sexual assault survivors and their family or household members. Include a specific statement if the resource does not exist in the service area.
 - a. victim advocacy program(s),
 - b. law enforcement,
 - c. civil and criminal courts,

What Will Be Done (45 points)

The application must provide a clear link between the proposed activities and the need identified in the “Purpose of the Proposal” section above. The application must not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. Clearly define and describe the measurable goals, objectives, activities, timeline for implementation (by project month or quarter), and person responsible for each task of the proposed project. ***See the note below.**
2. Describe how the proposed project will account for and meet the unique cultural concerns and needs of sexual assault survivors and their families within the tribal community(ies) to be served.
3. Describe how the proposed project will ensure outreach and response to a broad range of survivors of sexual violence (e.g., victims of sex trafficking who have also experienced sexual assault, adults abused as children, male survivors, child and youth survivors, and adults sexually assaulted by a person other than an intimate partner, such as a stranger, neighbor, family member, or coworker, community leader, clergy/spiritual leader). In consideration of funding limitations and community needs, applicants may choose to focus on a specific age range.
4. Discuss the plan to ensure that key individuals involved in the proposed project receive sexual assault specific training and TA. **Note: The \$35,000 set aside for TTA may include support for specialized professional development, training, and clinical supervision for counselors and advocates.**
5. Describe how the proposed project will address the unique needs of the traditionally underserved populations identified in the Purpose of the Proposal section above.
6. Describe how the proposed project will be fully accessible to individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency.
7. Describe how survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) have been consulted to inform or otherwise contributed to the development of the proposed project and/or will be consulted as the project is implemented.

***Note: Project activities must be directly related to the provision of direct intervention and related assistance for sexual assault victims, family and household members of such victims, and those collaterally affected by the victimization, except for the perpetrator of such victimization. Core victim services must include, at minimum: crisis intervention, advocacy and accompaniment, information and referral, counseling, support groups, and support for those collaterally affected by the victimization, including non-offending family and household members.**

Applicants may use a chart to help fulfill this section. The chart may be single spaced.

IMPROVING TRIBAL RESPONSES TO SEXUAL ASSAULT (ITRSA) CAPACITY-BUILDING PROJECTS

What Will Be Done (80 points)

This section must:

1. Describe the service area.
2. State whether the proposed project will establish new programming and/or expand existing programming in the area of sexual assault services.
3. Describe, if any, the services currently offered for victims of sexual assault in the service area. List any services that the applicant would like to implement for victims with this project.
4. Describe the safety needs of victims who will be served by this project and how the applicant intends to address those needs with this proposed project.
5. List the individual(s) who will serve as the project coordinator(s) and their expertise in the area of sexual assault services. If the project coordinator is not known, describe the qualifications for the proposed project coordinator position.
6. Identify and describe the role(s) of the key individuals and/or organizations, including project partners, that will be involved in the proposed project.

ITRSA Capacity-Building applicants do not need to submit the “Purpose of the Proposal” and “Who Will Implement the Proposal” sections of the Project Narrative. These applicants must complete the “Budget and Associated Documentation” and “Budget Worksheet and Budget Narrative” sections.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below under each heading. OVW strongly encourages the use of a spreadsheet (e.g., excel, numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **20 points** and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Attach in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the [OVW website](#). Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

- The award period is 36 months. Budgets must reflect 36 months of project activity.
- Awards for FY 2023 will be made for up to \$500,000 for Standard Projects and \$525,000 for ITRSA Capacity-Building Projects.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Compensate all project partners for their full level of effort, unless otherwise stated in the partner's letter of support. For more information on compensating project partners, see the sample Budget Detail Worksheet on the [OVW website](#).
3. Include sufficient funds to fully provide language access or describe other resources available to the applicant to ensure meaningful access for persons who are limited in their English proficiency because of their national origin. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
4. Include sufficient funds to fully provide access for individuals with disabilities or who are Deaf/hard of hearing or describe other resources available to the applicant to ensure meaningful access for such individuals. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
5. Compensate survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) who participate as consultants, in an advisory capacity, in focus groups, or in other work activities.
6. Include funds to attend OVW-sponsored TTA in the amount of **\$35,000 minimum**. This amount is for the entire 36-month project period and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
7. Funds set aside for TTA may include support for specialized professional development, training and clinical support for advocates and counselors.
8. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of

subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the [OVW website](#).

Direct payments may be made to assist sexual assault victims and their family or household members for costs directly related to the sexual assault. Where possible, OVW encourages recipients to pay vendors directly. Examples of costs that direct payments may cover include, but are not limited to:

1. Replacement bedding, clothing, or other household items;
2. Securing new or temporary housing, including paying a security deposit, first month's rent, or moving expenses;
3. Travel expenses;
4. Childcare expenses;
5. Food;
6. Utility assistance (other than utilities in arrears): and
7. Security measures such as re-keying locks, replacing a cell phone, or purchasing a motion detector or security camera that does not require installation (see Funding Restrictions below regarding not using grant funds for minor renovations).

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](#).

Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets.

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the conference. Recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Examples of when OVW might grant such approval include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments that receive more than \$35 million in direct federal funding per year) that do not have a current negotiated (including provisional) rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Financial Management Questionnaire (including disclosure of high-risk status)

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and

approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the [OVW website](#).

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Document(s) Demonstrating Authority to Apply

TSASP applicants are required to submit document(s) demonstrating authority to apply on behalf of the applicant entity and/or support for the application as described below.

For an applicant applying as an Indian tribe:

No additional documentation is required.

For an applicant applying as a tribal consortium:

Submit documentation of authority to apply from each tribal consortium member, unless existing consortium bylaws or other governance documents allow action without explicit authorization from the consortium member tribes. In that case, a copy of the bylaws or other governance documents that allow the consortium's action, without explicit authorization from all consortium members, must be included with the application. This documentation must be current, must be sufficient to demonstrate authority for the application, must contain authorized signature(s), and must be submitted by the application due date.

For an applicant applying as a tribal organization or nonprofit tribal organization:

Submit a letter of support from each of the Tribes to be served through the proposed project. For purposes of this application a letter of support is a document, from a federally-recognized tribe, demonstrating its support for the applicant organization's proposed project. The letter of support should be dated and signed by the Authorized

Representative of the Tribe during the development of the application.

The Letter(s) of Support must:

1. Address whether the Tribe is familiar with the types of services provided by the applicant AND whether these services are available and provided to tribal members;
2. Describe whether the Tribe has previously worked or partnered with the applicant organization, and, if so, under what circumstances; and
3. Clearly explain why the Tribe supports the applicant's proposed project.

For an example Letter of Support, see [OVW Resources for Applicants](#).

Additional Application Components

The following components will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letters of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the [OVW website](#).

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Applicants, an entity that is eligible for this program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to attach a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Disclosure and Assurances

Review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities

All applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

DOJ Certified Standard Assurances DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants.

Summary of Other Federal Funding

Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that closed within the 12 months before the date this solicitation closes, the information must be provided in a table using the sample format found on the [OVW website](#). The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient. Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2023 to do similar work. Provide this information in a table using the sample format found on the OVW website. Both tables, if applicable, should be uploaded as attachments in JustGrants.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time for federal funding must complete a multi-step registration process. Applicants must register with the systems listed below to successfully submit an application.

1. SAM. Registration with SAM includes receiving a UEI. (**Average registration completion time – 2-3 weeks**)
2. Grants.gov (**Average registration completion time – 1 week**)
3. JustGrants. Registration with SAM and Grants.gov must be completed before an applicant can register with JustGrants. (**Average registration completion time – 3 days**)

Note: registration time frames are estimates. Applicants experiencing registration challenges (including lengthy registration wait times) should refer to the “OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.”

Please see the [Solicitation Companion Guide](#) for additional details regarding SAM, Grants.gov, and JustGrants registration.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the responsibility of the applicant to ensure that they are properly registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by April 10, 2023. Failure to do so may result in the application being removed from consideration for funding.

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

Additionally, applicants experiencing technical difficulties with any of the systems listed above during the registration, account update, or application submission processes should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: the Grants.Gov deadline is 3 days before the JustGrants application deadline.** If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the JustGrants application deadline.** Applicants experiencing technical difficulties during the application submission process should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster section of this solicitation.

Submission Information and Other Submission Requirements

Applications will be submitted to OVW in two steps:

Step 1: The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov - <https://www.grants.gov/web/grants/forms/sf-424-family.html>.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at JustGrants.usdoj.gov. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OVW encourages applicants to review the [Solicitation Companion Guide](#) and the JustGrants website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control (e.g., JustGrants login issue, issue with the web-based budget). OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Notify this program, via email at OVW.Tribal.SASP@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at OVW.Tribal.SASP@usdoj.gov.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify this program via email at OVW.Tribal.SASP@usdoj.gov before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant must email the complete application packet (Proposal Narrative, Budget and Budget Narrative, and Document(s) Demonstrating Authority to Apply and all documentation supporting the technical difficulty to this program at **OVW.Tribal.SASP@usdoj.gov** by **9:00 p.m. E.T. on May 4, 2023**.

Technical difficulties while applying in JustGrants

1. Contact the OVW JustGrants Help Desk at OVW.JustGrantsSupport@usdoj.gov prior to the JustGrants deadline.
2. Maintain documentation of all communication with the OVW JustGrants Help Desk.
3. Actively work with the OVW JustGrants Help Desk to attempt to resolve the technical difficulty.
4. Contact this program, via email at OVW.Tribal.SASP@usdoj.gov, prior to the JustGrants deadline (**9:00 p.m. E.T. on May 4, 2023**), indicating the applicant is experiencing technical difficulties with JustGrants and would like permission to submit an application via email. The email must include the following:
 - A detailed description of the technical difficulty the applicant is experiencing.
 - The contact information (name, telephone, and email) for the individual making the request.

Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

OVW will only accept applications after **9:00 pm ET on May 4, 2023** in cases of severe inclement weather or natural or man-made disaster. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at OVW.Tribal.SASP@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for TSASP, scoring will be as follows:

Standard Project:

1. Proposal narrative: 80 points, of which:

- Purpose of the proposal: 20 points.
 - What will be done: 45 points.
 - Who will implement the proposal: 15 points
2. Budget worksheet and budget narrative: 20 points.

Improving Tribal Responses to Sexual Assault (ITRSA) Capacity-Building Project:

1. Proposal narrative: 80 points, of which:
 - What will be done: 80 points.
2. Budget worksheet and budget narrative: 20 points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, [external reviewers](#), or a combination of both.

OVW Peer reviewers may include victim advocates, judges, prosecutors, police officers, legal professionals, and others with expertise in areas such as, tribal communities, colleges and universities, rural areas, urban areas, working with individuals with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and those provided by the faith-based organizations. While some peer reviewers are expert consultants on violence against women issues, the vast majority of peer reviewers are active practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by individuals with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking. OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to add up to 10 points to applications fully addressing OVW priority areas and to deduct points applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration entirely regardless of the application's peer review score.**

Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.
7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.

15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its

judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2023.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

Terms and conditions for OVW awards are available on the [OVW website](#). These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency because of their national origin have meaningful access to recipients' programs and activities. Recipients also are responsible for ensuring that their programs and activities are readily accessible to individuals with disabilities, including those with physical or cognitive disabilities, as well as individuals who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are fully accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Appropriate performance report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).
