Equitable Sharing Request Form

General Instructions

- Transfer of federally forfeited property is governed by the Department of Justice <u>Attorney General's Guidelines on Seized and Forfeited Property</u> (Guidelines).
- Requesting state or local law enforcement agency (Agency) head or designee must complete the DAG-71.

(Note: Incomplete or inaccurate information is the most common cause of delay in processing.)

- A **separate** DAG-71 must be completed for **each** asset requested.
- The **deadline** for submitting the DAG-71 to the federal investigative agency processing the forfeiture (federal agency) is **45 days following the date of forfeiture**. A late waiver request must be included with DAG-71s submitted after the deadline. Acceptance of the late submission is at the discretion of the federal agency.
- When the Agency requests tangible property in lieu of proceeds, the Agency must return costs and the appropriate federal equitable share to the United States. If the Agency is unable to pay the costs and federal share, the property will be liquidated and the proceeds distributed proportionally.

DAG-71

Asset Information

This section will be pre-populated with information related to the asset being requested.

Requesting State or Local Agency

Provide all information requested. **Contact Person** is the person who will have specific information regarding the Agency's contribution to the seizure and forfeiture of the requested asset.

Request Type

You must select either "Item" (if requesting the asset) or "Cash/Proceeds" (if requesting a percentage of the asset).

Requesting Agency Contribution & Detailed Narrative

This section of the DAG-71 form will be used to evaluate the Agency's contributions to the seizure and forfeiture of the requested asset. Accurately report all workhours contributed to the seizure and forfeiture of the asset, not the entire investigation. The narrative section must include any qualitative factors that serve to support a sharing award. For example, if the Agency contributed unique or indispensable support, the activities must be detailed in the narrative section. If sharing percentages are pre-defined in a task force agreement, the agreement must be included with the submission.

Late Submission Waiver (if applicable)

Indicate specific reasons as to why the DAG-71 is being submitted more than 45 days following the date of forfeiture. Acceptance of late submissions is at the discretion of the federal agency.

Certification by State or Local Requesting Agency

Agency head or his/her designee must certify that the information provided in the above sections is true and accurate.
