15. Covenants for Settling Defendants by United States. Except as specifically provided in Section VIII (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Settling Defendants pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. These covenants shall take effect upon receipt by EPA of the payments required by Paragraph 4 (Payment by Settling Defendants for Past Response Costs) and any Interest or stipulated penalties due thereon under Paragraph 9 (Interest on Late Payments) or 10 (Stipulated Penalty). These covenants are conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree. These covenants extend only to Settling Defendants and do not extend to any other person.

16. Covenant for Settling Federal Agencies by EPA. Except as specifically provided in Section VIII (Reservation of Rights by United States), EPA covenants not to take administrative action against Settling Federal Agencies pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. This covenant shall take effect upon receipt by EPA of the payment required by Paragraph 8.a with any Interest due thereon under Paragraph 8.b (Interest). This covenant is conditioned upon the satisfactory performance by Settling Federal Agencies of their obligations under this Consent Decree. This covenant extends only to Settling Federal Agencies and does not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY UNITED STATES

17. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants, and EPA and the federal natural resource trustees reserve, and this Consent Decree is without prejudice to, all rights against Settling Federal Agencies, with respect to all matters not expressly included within the Covenants by Plaintiff in Paragraph 15 and the Covenant for Settling Federal Agencies by EPA in Paragraph 16. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendants, and EPA and the federal natural resource trustees reserve, and this Consent Decree is without prejudice to, all rights against Settling Federal Agencies, with respect to:

- a. liability for failure of Settling Defendants or Settling Federal Agencies to meet a requirement of this Consent Decree;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and
- e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

IX. COVENANTS BY SETTLING DEFENDANTS AND SETTLING FEDERAL AGENCIES

18. Covenants by Settling Defendants. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs and this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of the response actions at the Site for which the Past Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of Washington, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; or
- c. any claim pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. § 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law for Past Response Costs.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

20. Covenant by Settling Federal Agencies. Settling Federal Agencies agree not to assert any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund through CERCLA Sections 106(b)(2), 107, 111, 112, 113 or any other provision of law with respect to Past Response Costs and this Consent Decree. This covenant does not preclude demand for reimbursement from the Superfund of costs incurred by a Settling Federal Agency in the performance of its duties (other than pursuant to this Consent Decree) as lead or support agency under the National Contingency Plan (40 C.F.R. Part 300).

21. Claims Against De Micromis Parties. Settling Defendants agree not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that they may have for all matters relating to the Site against any person where the person's liability to Settling Defendants with respect to the Site is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of hazardous substances at the Site, or having accepted for transport for disposal or treatment of hazardous substances at the Site, if all or part of the disposal, treatment, or transport occurred before April 1, 2001, and the total amount of material containing hazardous substances contributed by such person to the Site was less than 110 gallons of liquid materials or 200 pounds of solid materials.

22. The waiver in Paragraph 21 shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have against any person meeting the above criteria if such person asserts a claim or cause of action relating to the Site against such Settling Defendant. This waiver also shall not apply to any claim or cause of action against any person meeting the above criteria if EPA determines:

a. that such person has failed to comply with any EPA requests for information or administrative subpoenas issued pursuant to Section 104(e) or 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) or 9622(e), or Section 3007 of RCRA, 42 U.S.C. § 6927, or has impeded or is impeding, through action or inaction, the performance of a response action or natural resource restoration with respect to the Site, or has been convicted of a criminal violation for the conduct to which this waiver would apply and that conviction has not been vitiated on appeal or otherwise; or

b. that the materials containing hazardous substances contributed to the Site by such person have contributed significantly, or could contribute significantly, either individually or in the aggregate, to the cost of response action or natural resource restoration at the Site.

X. EFFECT OF SETTLEMENT/CONTRIBUTION

23. Except as provided in Paragraph 21 (Claims Against De Micromis Parties), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section IX (Covenants by Settling Defendants and Settling Federal Agencies), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any

person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

24. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that each Settling Defendant and each Settling Federal Agency is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Past Response Costs. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a “civil action under section 9606 of this title or under section 9607(a) of this title” for purposes of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially approved settlement pursuant to which each Settling Defendant and each Settling Federal Agency has, as of the Effective Date, “resolved its liability to the United States . . . for some or all of a response action or for some or all of the costs of such action” for purposes of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

25. Each Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Each Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ in writing within 20 days after service of the complaint or claim upon it. In addition, each Settling Defendant shall notify EPA and DOJ within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

26. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiff set forth in Section VII.

XI. NOTICE TO SUCCESSORS-IN-TITLE AND TRANSFERS OF REAL PROPERTY

27. For any real property owned or controlled by Owner Settling Defendants located at the Site, Owner Settling Defendants shall, within 30 days after the Effective Date, submit to EPA for review and approval a proposed notice to be filed with the appropriate land records office that: (a) provides a description of the real property; (b) provides notice to all successors-in-title that the real property is part of the Site and that EPA has completed a response action for the Site; (c) describes the land or resource use restrictions, if any, set forth in Paragraph 31; and (d) identifies the U.S. District Court in which this Consent Decree was filed, the name and civil action number of this case, and the date this Consent Decree was entered by the Court. Owner

Settling Defendants shall record the notice within ten days after EPA's approval of the notice. Owner Settling Defendants shall provide EPA with a certified copy of the recorded notice within ten days after recording such notice.

28. Owner Settling Defendants shall, at least 60 days prior to any Transfer of any real property located at the Site, give written notice: (a) to the transferee regarding the Consent Decree and any institutional controls regarding the real property; and (b) to EPA and the State regarding the proposed Transfer, including the name and address of the transferee and the date on which the transferee was notified of the Consent Decree and any institutional controls.

29. Owner Settling Defendants may Transfer any real property located at the Site only if: (a) any Proprietary Controls required by Paragraph 31 have been recorded with respect to the real property; or (b) Owner Settling Defendants has obtained an agreement from the transferee, enforceable by Owner Settling Defendants and the United States, to (1) allow access and restrict land or resource use, pursuant to Paragraphs 31, (2) record any Proprietary Controls on the real property, pursuant to Paragraph 31 and (3) subordinate its rights to any such Proprietary Controls, pursuant to Paragraph 31, and EPA has approved the agreement in writing. If, after a Transfer of the real property, the transferee fails to comply with the agreement provided for in this Paragraph 29, Owner Settling Defendants shall take all reasonable steps to obtain the transferee's compliance with such agreement. The United States may seek the transferee's compliance with the agreement and/or assist Owner Settling Defendants in obtaining compliance with the agreement. Settling Defendants shall reimburse the United States for all costs incurred, direct or indirect, by the United States regarding obtaining compliance with such agreement, including, but not limited to, the cost of attorney time.

30. In the event of any Transfer of real property located at the Site, unless the United States otherwise consents in writing, Owner Settling Defendants shall continue to comply with its obligations under the Consent Decree, including, but not limited to, its obligation to provide and/or secure access, to implement, maintain, monitor, and report on any institutional controls, and to abide by any such institutional controls.

XII. ACCESS

31. If the Site, or any other real property where access or land or resource use restrictions are needed, is owned or controlled by Owner Settling Defendants:

a. Owner Settling Defendants shall, commencing on the Effective Date, and after reasonable notice and explanation of the basis for entry, provide the United States and potentially responsible parties who have entered or may enter into an agreement with the United States for performance of response action at the Site (hereinafter "Performing Parties"), and their representatives, contractors, and subcontractors, with access at all reasonable times to the Site, or such other real property, to conduct any activity relating to response action at the Site, including, but not limited to, the following activities:

- (1) Monitoring, investigation, removal, remedial or other activities at the Site;
- (2) Verifying any data or information submitted to the United States;

- Site;
- (3) Conducting investigations regarding contamination at or near the Site;
 - (4) Obtaining samples;
 - (5) Assessing the need for, planning, or implementing response actions at or near the Site;
 - (6) Assessing compliance by Owner Settling Defendants and any Performing Parties; and
 - (7) Determining whether the Site or other real property is being used in a manner that is prohibited or restricted, or that may need to be prohibited or restricted under the Consent Decree.

32. If EPA determines that institutional controls in the form of state or local laws, regulations, ordinances, zoning restrictions, or other governmental controls are needed at or in connection with the Site, Owner Settling Defendants shall cooperate with EPA's efforts to secure and ensure compliance with such governmental controls.

33. Notwithstanding any provision of the Consent Decree, the United States retains all of its access authorities and rights, as well as all of its rights to require institutional controls, including enforcement authorities related thereto, under CERCLA, RCRA, and any other applicable statute or regulations.

XIII. RETENTION OF RECORDS

34. Until ten years after the entry of this Consent Decree, each Settling Defendant shall preserve and retain all non-identical copies of records, reports, or information (hereinafter referred to as "Records") (including records in electronic form) now in its possession or control, or that come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any document retention policy to the contrary.

35. After the conclusion of the ten-year document retention period in the preceding Paragraph, Settling Defendants shall notify EPA and DOJ at least 90 days prior to the destruction of any such Records, and, upon request by EPA or DOJ, Settling Defendants shall deliver any such Records to EPA. Settling Defendants may assert that certain Records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants assert such a privilege, they shall provide Plaintiffs with the following: (1) the title of the Record; (2) the date of the Record; (3) the name, title, affiliation (e.g., company or firm), and address of the author of the Record; (4) the name and title of each addressee and recipient; (5) a description of the subject of the Record; and (6) the privilege asserted. If a claim of privilege applies only to a portion of a Record, the Record shall be provided to Plaintiffs in redacted form to mask the privileged information only. Settling Defendants shall retain all Records that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendants' favor.

36. Each Settling Defendant certifies individually that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since the earlier of notification of potential liability by the United States or the State or the filing of suit against it regarding the Site.

37. The United States acknowledges that each Settling Federal Agency (1) is subject to all applicable Federal record retention laws, regulations, and policies; and (2) has certified that it has fully complied with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927.

XIV. NOTICES AND SUBMISSIONS

38. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Written notice as specified in this Section shall constitute complete satisfaction of any written notice requirement of the Consent Decree with respect to EPA, DOJ, and Settling Defendants, respectively.
