

## **Directions and Security for the Juneau Courthouse**

- We are located in the Federal Building and U.S. Courthouse. The address is 709 West 9th Street, Juneau, Alaska 99801 (across the street from Coppa Coffee & Seong's restaurant). Please note: this is the FEDERAL Courthouse, not the state courthouse
- There is free street parking near the federal building. The back of the building has additional parking spots you can park in as long as it is not a reserved spot.
- There are 100% ID checks to enter the federal building. All visitors must show a current and valid photo ID issued by a State or Federal agency.
- All visitors are required to pass through 2 security checkpoints (one downstairs and one upstairs). For both of them, you will walk through a magnetometer and all bags, briefcases, purses, parcels, and electronic devices will be screened by an x-ray machine. If you set off the magnetometer as you walk through it, you may be asked to remove your belt, watch, or jewelry.
- Prohibited items include firearm, explosive materials, drug paraphernalia, knives (greater than 2.5 inches), narcotics, other items deemed dangerous, illegal, or hazardous.
- After the first security checkpoint in the main lobby, take the elevators to the 9th floor. Exit the elevators and to the right, there will be the Court Security Officers and their second security checkpoint. Once you've gone through their scanning process, the courtroom will be on the left.
- Our office, the Juneau U.S. Attorney's Office, is also located on the 9th floor, Room 937. Just to the left of the elevators when you exit.
- You can bring cellphones and other electronic devices such as tablets, iPad, etc. with you to the courthouse. If you bring them with you into the courtroom, they **MUST BE ON SILENT OR TURNED OFF**.
- Inside the courtroom, the taking of pictures or videos is **STRICTLY PROHIBITED AND ENFORCED**
- There are bathrooms on every floor
- I suggest you bring a sweater or jacket as the courtrooms are frequently cool
- There is a café on the 2<sup>nd</sup> floor. In addition to the coffee shop and restaurant mentioned above, there is a grocery store and other restaurants within walking distance.
