Motion(s) referred to Magistrate Judge Gordon P. Gallagher. by Judge Marcia S. Krieger on 3/20/20. Text Only Entry (msklc2, ) (Entered: 03/20/2020)
03/20/2020	30	ORDER granting <a href="#">27</a> Motion to Continue as to Megan Hess (1) Motions due by 9/8/2020. Responses due by 10/5/2020 Jury Trial set for 11/2/2020 10:30 AM in Room 323 (Grand Junction) before Judge Marcia S. Krieger. Pretrial Conference set for 10/29/2020 03:30 PM in Courtroom A 901 before Judge Marcia S. Krieger. Defendants entered not guilty pleas as to each count of the indictment. This action was set for trial on April 20, 2020. These motions have been referred, so any party may object, in writing, within 14 days as to this order pursuant to Rule 59(a). Defendants move to continue the trial for at least six months on the basis that there is not enough time to be properly prepared for trial on April 20, 2020. The reasons for the continuance-set forth in detail in the motions and incorporated herein--include that the allegations in this action span some 8 years, from 2010 to 2018, and involve 30 charged substantive acts, and over 100 relevant acts. The Government anticipates releasing some 500,000 pages of reports which will require extensive time to catalog and review. Additionally, hundreds of witnesses will potentially need to be interviewed. The Court has considered and includes the reasons set forth in the Defendants' motions. The Court, examining the factors set forth in U.S. v. Toombs, 574 F.3d 1262 (10th Cir. 2009) and 18 USC § 3161, determines that the ends of justice

		would be served by continuing the trial in this matter and that the factors in favor of granting such a continuance outweigh the best interests of the public and the Defendants in a speedy trial. The Court finds that failure to grant such a continuance would make it impossible for the Defense to proceed and would provide inadequate preparation time taking into account the fact that the parties have all exercised due diligence. The Government did not object, in any fashion, to the motions to continue. All time between now and the new date of November 2, 2020 shall be excluded from the speedy trial calculation. The parties are to file a joint memo, within 14 days, providing a current speedy trial calculation. In addition, within seven (7) days, the parties SHALL jointly contact the Courts Clerk in Grand Junction to set a telephone status conference (all parties MUST appear by telephone for both the setting conference and the hearing)--said conference to be held within the next fourteen (14) days. The purpose of the conference will be to start the process of insuring that appropriate resources are marshalled so this matter can move forward without undue delay. This Order also resolves the motion found at ECF #26. by Magistrate Judge Gordon P. Gallagher on 3/20/20. Text Only Entry (GPG) (Entered: 03/20/2020)
