SUPERSEDING INDICTMENT

The Grand Jury charges that, at all times material to this Superseding Indictment, on or about the dates stated below:

Introduction

The 2020 United States Presidential Election and the Official Proceeding on January 6, 2021

1. The 2020 United States Presidential Election occurred on November 3, 2020.
2. The United States Electoral College ("Electoral College") is a group required by the Constitution to form every four years for the sole purpose of electing the president and vice president, with each state appointing its own electors in a number equal to the size of that state's Congressional delegation.
3. On December 14, 2020, the presidential electors of the Electoral College met in the

state capital of each state and in the District of Columbia and formalized the result of the 2020 U.S. Presidential Election: Joseph R. Biden Jr. and Kamala D. Harris were declared to have won sufficient votes to be elected the next president and vice president of the United States.

4. On January 6, 2021, a Joint Session of the United States House of Representatives and the United States Senate (“the Joint Session”) convened in the United States Capitol (“the Capitol”) building. The purpose of the Joint Session was to open, count, and resolve any objections to the Electoral College vote of the 2020 U.S. Presidential Election, and to certify the results of the Electoral College vote (“Certification of the Electoral College vote”) as set out in the Twelfth Amendment of the Constitution of the United States and 3 U.S.C. §§ 15–18.

The Attack at the U.S. Capitol on January 6, 2021

5. The Capitol is secured 24 hours a day by United States Capitol Police (“Capitol Police”). The Capitol Police maintain permanent and temporary barriers to restrict access to the Capitol exterior, and only authorized individuals with appropriate identification are allowed inside the Capitol building.

6. On January 6, 2021, the exterior plaza of the U.S. Capitol was closed to members of the public.

7. On January 6, 2021, at approximately 1:00 p.m., the Joint Session convened in the Capitol building for the Certification of the Electoral College vote. Vice President Michael R. Pence presided, first in the Joint Session and then in the Senate chamber.

8. A large crowd began to gather outside the Capitol perimeter as the Joint Session got underway. Crowd members eventually forced their way through, up, and over Capitol Police barricades onto the Capitol grounds and advanced to the building’s exterior facade. Capitol Police officers attempted to maintain order and stop the crowd from entering the Capitol building, to

which the doors and windows were locked or otherwise secured. Nonetheless, shortly after 2:00 p.m., crowd members forced entry into the Capitol building by breaking windows, ramming open doors, and assaulting Capitol Police officers. Other crowd members encouraged and otherwise assisted the forced entry. The crowd was not lawfully authorized to enter or remain inside the Capitol building or grounds, and no crowd member submitted to security screenings or weapons checks by Capitol Police or other security officials.

9. Shortly thereafter, at approximately 2:20 p.m., members of the House and Senate (including Vice President Pence) were evacuated from their respective chambers. The Joint Session was halted while Capitol Police and other law-enforcement officers worked to restore order and clear the Capitol building and grounds of the unlawful occupants.

10. Later that night, law enforcement regained control of the Capitol building and grounds. At approximately 8:00 p.m., the Joint Session reconvened, presided over by Vice President Pence, who had remained hidden within the Capitol building throughout these events.

11. In the course of these events, over 100 law enforcement officers were injured. The Capitol suffered millions of dollars in damage—including broken windows and doors, graffiti, and residue from pepper spray, tear gas, and fire extinguishers deployed both by crowd members who stormed the Capitol and by Capitol Police officers trying to restore order. Additionally, many media members were assaulted and had cameras and other news-gathering equipment destroyed.

Conspirators

12. BART GORE is a 51-year-old resident of Danridge, Tennessee.
13. KEVIN G. MOORE is a 51-year-old resident of Logan, West Virginia.

14. GORE and MOORE became friends when they both lived in West Virginia, and they remained in contact after GORE moved to Tennessee. In texts and Facebook messages, GORE referred to West Virginia as home.

COUNT ONE

15. The allegations in paragraphs 1 through 14 are realleged and incorporated as if fully set forth in this paragraph.

16. On or about October 4, 2020 through January 6, 2021, within the District of Columbia and elsewhere, the defendants, **BART GORE** and **KEVIN G. MOORE**, did conspire with each other and others known and unknown, to prevent, by force, intimidation, and threat, any person, that is, Members of the United States Congress and law enforcement officers, from discharging any duties of any office, trust, or place of confidence under the United States, and to induce by force, intimidation, and threat, any officer of the United States, that is Members of the United States Congress and law enforcement officers, to leave the place, where their duties as officers were required to be performed.

Means and Methods of the Conspiracy

Preparing for January 6, 2021

17. On November 4, 2020, GORE replied to a post on Facebook, "I have lived my life enjoying the freedom so many others gave their lives to protect. I don't want to live in a communist country. At some point we (the people who actually believe in something) have to take a stand. We have become so tolerant and passive that the left and libs know that they can get their way through riots and lawless behavior. When do we turn the table and start dishing out what we've been dealt? For those of you that believe in God, what was the only sacrifice given to stay or forgive sins? BLOOD. I know violence is a last resort but controlled violence is very effective. I

believe in our country and I believe in all of you that have a spine. There's plenty of us out here. We just have to form a union of believers. It's time for action!!"

18. GORE and MOORE used Facebook messenger to send messages, photos, videos, and links, to share information regarding the 2020 presidential election, to attempt to recruit others, and to coordinate travel plans for January 6, 2021.

19. On December 12, 2020, GORE messaged MOORE on Facebook, "Hey punk!! Look at my post on Facebook. I joined the Proud Boys a couple months ago. Time to put boots on the ground. We should be in DC right now." MOORE responded, "How can I join."

20. Earlier that day, the Proud Boys had participated in a march in Washington, D.C. protesting the results of the 2020 Presidential election, where multiple people were stabbed. GORE sent MOORE a video about that event titled, "@Murder the Media – MurderTheMedia - Here's the stabbing and subsequent boot party"

21. On December 12, 2020, GORE messaged MOORE that the Proud Boys are "organized and they mean business." MOORE responded, "I would love to be there."

22. GORE continued, "They are kicking the crack out of antifa and blm in dc right now." MOORE messaged back that we are all going to have to fight back.

23. GORE told MOORE, "If I would've had a partner to ride with me, I would be there. I'm going to the next march. Follow murder the media on Parler and look at the videos. You'll be ready to go. I know you bro." MOORE responded, "Yes let's go."

24. In subsequent online communications, MOORE advised GORE, "It's past time people got to fight back." Later in the same conversation GORE stated to MOORE, "I think we go for the head of the snake. The FBI, the CIA, Obama, Clinton's [sic], Barr, and anyone else. I don't want to live in a communist country." MOORE responded with a thumbs up.

25. GORE continued, "I'm so ready to kick the lungs loose in these mfers." MOORE responded, "They all need to go down." Gore then stated, "I'm ready to do my part. I don't plan on living in a communist country."

26. On December 16, 2020, GORE's family member texted him a message that included the following text: "Today, the electoral college votes will be sealed and sent by special carrier to Washington where they will remain sealed until January 6th when the House and Senate will come into a joint session to open the votes. The media is going to make you believe that it's all over and Joe Biden is now officially president...On January 6th, Nancy Pelosi will sit down with the rest of the House members as she has no special power or authority over the hearing... Vice President Mike Pence will have all the authority as president of the Senate for that day and will accept or reject motions to decide the next steps by the assembly. Remember... Mike Pence is in full authority that day as written in the Constitution. The ballots will be certified today but that means nothing...The votes will be opened and at that point one House member could, and most likely will, raise their hand to object to the Vice President on the state of elector's votes. That objection could cover fraud or any other reason, and with the seconding of that objection everything changes. Everything!! The House and Senate will divide for two hours (at least) to debate, then vote. The vote will be per Senator with the Vice President being the deciding vote if needed in the Senate, while the vote in the House will be only be ONE vote per delegation, per state, not per House member!!! The Republicans have 30 delegation votes compared to the Democrats 20 delegation votes. If this scenario runs true, President Trump gets re-elected. The Democrats, the media, social networks and globalists around the world will come unhinged and chaos will erupt. Bigly. President Trump is trying to do the right thing and go through the courts first, expose all the fraud, but we all knew that none of the courts, even the Supreme Court wanted

to touch this issue with a 10-ft pole! This is why our forefathers were so brilliant because they knew something like this could happen someday. So, don't listen to the media and all their deception and lies. All you have to do is read the Constitution and you know that the law, policies and procedures in the end are on our side. If you think this is over & Biden truly won, Buckle up and enjoy the ride!"

27. On December 17, 2020, GORE sent MOORE a tweet that said, "According to a source close to the White House Admin @realDonaldTrump @ POTUS has ordered most of his WH staff to leave DC area and clear out. Something big is about to go down in DC." GORE then asked MOORE, "You ready, bro?" Moore responded, "I'm ready it's past time. I'm ready to kick some BLM butt." MOORE then sent GORE a photo of himself flexing without a shirt. GORE commented on MOORE's appearance and then messaged, "yeah. You're ready." Later in that conversation, MOORE told GORE, "Something does happen you come home I'm in very good shape with ammo and guns."

28. On or about December 21, 2020, GORE mentioned to MOORE trying to go to Washington, D.C. on January 6, 2021. In that same conversation, GORE told MOORE, "I'd love to be the one to capture Obama or Hillary. I'd strip them naked and beat them with a belt and switch. Then I'd rest and beat them some more." MOORE responded, "Me too it will be a beautiful day."

29. On December 22, 2020, GORE texted a friend concerning the events planned in Washington, D.C. on January 6. Among other statements, GORE told his friend, "The only way to solve this is for all those crooks to be tried and convicted and executed!!"

30. On December 26, 2020, GORE texted another friend, "Gonna happen on the 6th. Hope you guys are prepared." The friend asked GORE to explain what he would need. GORE

responded, "Tons of ammo. Food. A plan for your family when communicating by cell phone won't work. Two way radios. That's why I joined up with the Proud Boys and 3%ers. That way I am in the know about this stuff. Dude, this is for real." The conversation continued and GORE stated, "They're marching on DC on the 6th. Preparing to secure the presidency for Trump."

31. On January 1, 2021, MOORE messaged GORE on Facebook, "You think if we go to DC we will find anywhere to stay." GORE responded, "I was thinking about that this afternoon. I'm coming home Saturday. We will look. I'm bringing an AR with me." MOORE replied, "Sounds good."

32. On January 2, 2021, MOORE messaged GORE that they would talk about going to Washington, D.C. GORE messaged MOORE, "That sounds awesome!! You ready to get beat up?? Lol" MOORE responded, "I can't wait to get whipped on. If we do get beat up we won't tell nobody." GORE continued, "I'm gonna go to dicks and get me a mouth guard so I don't get my teeth knocked out. Lol." MOORE responded, "I have one." GORE explained, "I used to have one. I don't know where it's at. I may get a small bat and a backpack." MOORE replied, "If we do go we will have to stop and get everything we will need." GORE suggested getting wasp spray. GORE continued, "Dude, do you realize we may be a huge part of history? Just like in 1776. I want to do my part." GORE suggested inviting another person. MOORE responded, "I will ask him to go I have told some people thinking about going they think we are crazy." GORE replied, "I don't care. If it's good enough for my brothers to be fighting, it's good enough for me. I don't want to live in a communist country. I'll fight til I can't fight anymore to keep my kids from living that way." MOORE messaged, "I really want us to go we got to find somewhere to stay." GORE responded, "I'm not going to be told that I can't worship my Jesus." MOORE replied, "Amen." GORE then messaged, "Daniel stood against the government and ended up in the lion's den."

33. Later on January 2, 2021, GORE sent MOORE a screen shot of an article headline that said, "Speaker Pelosi's house vandalized with graffiti, pig head: reports." MOORE responded, "Good." GORE continued, "I say we sack their homes!! Arrest them and beat them with bamboo chutes. Lol" MOORE replied with a thumbs up. GORE then messaged MOORE, "Text JAN6 to 86184. Go to wildprotest.com and sign up on rsvp." The link summary explained, "OFFICIAL HOME OF JAN6 PROTEST AT CONGRESS. Click for event details about the protest happening outside of Congress where the #DoNotCertify caucus will object to the botched Electoral College. Stop the Steal!" MOORE responded, "I just did it."

34. On January 3, 2021, MOORE messaged GORE that they need to make plans for DC. GORE responded MOORE could come by to plan and said, "I'm getting stoked!! I think this is going to be a big deal." Later that day, GORE messaged MOORE, "There's honor in dying on your feet!! My knees only hit the ground for my Jesus. Everyone that sits around and does nothing, deserves nothing. Doing nothing is why we're in this situation." MOORE responded with a thumbs up.

35. On January 4, 2021, GORE messaged MOORE to download Telegram. Later in the conversation, MOORE messaged, "it's going to get real in DC." GORE responded, "yes sir." MOORE replied, "We are going to be right in the middle of it." In the conversation, MOORE and GORE discussed inviting others. GORE agreed to pick up MOORE's friend in Charleston on the way to Washington, D.C.

36. GORE's girlfriend also texted him that she was worried about him. GORE texted her, "Things are changing. They're armed now. Brace yourself."

37. GORE's girlfriend texted GORE, "You taking a gun??" GORE responded, "Yes."

38. On January 6, 2021, GORE and MOORE attended the "Stop the Steal" rally. They

stayed for at least part of then-President Trump's speech.

January 6, 2021: Participation in the Riot at the U.S. Capitol

39. GORE and MOORE walked over to the U.S. Capitol and made their way to the northwest lawn. GORE and MOORE attempted to climb the northwest stairs and they were exposed to a chemical irritant. Another rioter provided GORE and MOORE with safety goggles.

40. GORE and MOORE climbed the Northwest Stairs a second time and arrived in the Northwest Courtyard around the time of the first breach of the U.S. Capitol Building.

41. When GORE and MOORE first arrived at the top, GORE took a video and he said, "We made it to the top. Ready to go in. Here we come." Later in the video GORE says, "I've been pepper sprayed, tear gassed, but I made it."

42. GORE and MOORE entered the Parliamentarian Door of the U.S. Capitol around 2:47 p.m. Before entering, GORE recorded a video. In the video, GORE and MOORE turned to each other and GORE said, "I guess we should see what this is all about." GORE and MOORE then entered the Capitol Building.

43. While at the Capitol, a friend messaged GORE, "what's going on up there?" GORE responded, "Chaos! I made it inside." GORE texted another friend, "I made it inside!! This time there's action bro. Been tear gassed and pepper sprayed. Tons of video. It's still crazy bro."

Post-January 6, 2021 Activity

44. On January 7, 2021, MOORE messaged GORE to request photos and videos from January 6.

45. On January 12, 2021, GORE messaged, "I want to go back." MOORE responded, "She got everything on lock down." GORE continued, "I wasn't satisfied. I would have been satisfied if they brought Nancy's head out on a stick." MOORE responded, "I think so [sic] of the

people were looking for her. I've seen the videos, I can't believe we didn't see any of this."
