#### **GOAL OF THE CONSPIRACY**

The goal of the conspiracy was to obtain firearms from licensed firearms dealers in Maryland and to transfer and transport these firearms to the District of Columbia and elsewhere, for the purpose of illegally reselling these firearms for profit to individuals otherwise unable to legally acquire firearms.

#### **ROLES OF CONSPIRATORS**

It was part of the conspiracy that the defendants and their other conspirators would and did play different roles in the conspiracy. Some of the roles assumed by conspirators, known and unknown to the grand jury, include straw purchasers, consumers, firearms supplier, organizer, intermediary, holder, and reseller. **DEMETRIUS MINOR** and **DONALD WILLIS** at some point or another, occupied many of these roles, including purchasing firearms with the intent to distribute them.

#### *Some Relevant Definitions*

A straw purchaser is an individual who is legally permitted to purchase firearms. Straw purchasers acquire firearms at a licensed firearm dealer by signing a document affirming that they are the intended owner and transferee of the firearm. After acquiring a firearm, the straw purchaser

transfers and/or sells the firearm to individuals who otherwise would be unable to purchase or acquire firearms.

A reseller sells firearms for profit on behalf of the conspiracy, to individuals who are otherwise unable to legally acquire firearms because of their prior convictions or because of the laws of their State or District.

A conspiracy may have multiple conspirators who occupy different distinct roles of the conspiracy or may involve two or more persons who conspire to obtain and resell firearms for profit.
