INDICTMENT

The Grand Jury Charges that:

Case: 1:23-cr-00116
Assigned to: Judge Bates, John D.
Assign Date: 4/6/2023
Description: INDICTMENT (B)

GENERAL ALLEGATIONS

1. At all times relevant to the Indictment, Defendant Ndubuisi Joseph Okafor, an internal medicine physician, was licensed by the District of Columbia Board of Medicine, under license number MD19779, to practice medicine in the District of Columbia.
2. As part of his practice, Ndubuisi Joseph Okafor prescribed controlled substances, including highly addictive opioids, under his U.S. Drug Enforcement Administration (“DEA”) registration number FO4353188.
3. Ndubuisi Joseph Okafor routinely prescribed various Schedule II controlled substances to his patients and other individuals, outside the usual course of professional practice, without a legitimate medical purpose.

BACKGROUND ON CONTROLLED SUBSTANCES

4. At all times relevant to this indictment, the Controlled Substances Act (“CSA”) governed the manufacture, distribution, and dispensing of controlled substances in the United States. Under the CSA, the DEA regulated certain pharmaceutical drugs designated as “controlled substances” because of their potential for abuse or dependence, their accepted medical use, and their accepted safety for use under medical supervision. *See* 21 U.S.C. § 802(6).

5. The DEA issued registration numbers to qualifying practitioners, including physicians, which permitted them to dispense Schedule II, III, IV, and V controlled substances consistent with the terms of that registration. 21 U.S.C. § 822.

6. Oxycodone and oxycodone acetaminophen are Schedule II controlled substances.

7. Under the CSA, it was unlawful to distribute or dispense a controlled substance, unless otherwise authorized by law. 21 U.S.C. § 841(a)(1). Except in limited circumstances, Schedule II controlled substances could not be dispensed without a written prescription. 21 U.S.C. § 829. “A prescription for a controlled substance to be effective must [have] be[en] issued for a legitimate medical purpose by an individual practitioner acting in the usual course of his professional practice.” 21 C.F.R. § 1306.04. “The responsibility for the proper prescribing and dispensing of controlled substances is upon the practicing prescriber” *Id.* “An order purporting to be a prescription issued not in the usual course of professional treatment ... [was] not a prescription within the meaning and intent of [S]ection [] 829 ...”. *Id.*
