Criminal Action No. 24-65
REDACTED

INDICTMENT

The Grand Jury for the District of Delaware charges that:

Background

At all times relevant to this Indictment:

1. The Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was a federal law enacted in or about March 2020. The CARES Act provided emergency financial assistance to the millions of Americans suffering the economic effects of the COVID-19 pandemic. One source of relief provided by the CARES Act was the authorization of forgivable loans to small businesses for job retention and certain other expenses through a program referred to as the Paycheck Protection Program ("PPP").

2. To obtain a PPP loan, a qualifying business had to submit a PPP loan application signed by an authorized representative of the business. The PPP loan application required the business, through its authorized representative, to acknowledge the program rules and to make affirmative certifications to be eligible for the PPP loan. For example, in the PPP loan application, the business, through its authorized representative, had to state, among other things, its average monthly payroll expenses and number of employees. In addition, the business had to provide documentation, such as federal tax forms, showing its payroll expenses. These figures were used

to calculate the amount of money the business was eligible to receive under the PPP. The business also had to indicate whether the business or any owner of the business owned or commonly managed any other business.

3. Once a qualifying business completed a PPP application, a participating lender, or agent on behalf of a participating lender, processed the application. If a PPP loan application was approved, the participating lender funded the PPP loan using its own monies, which the U.S. Small Business Association (“SBA”) guaranteed. In the course of processing the PPP loan, the lender transmitted data from the loan application to the SBA, including information about the borrower, the total amount of the loan, and the identified number of employees.

4. Proceeds from a PPP loan were legally required to be used only for certain permissible business expenses, including payroll costs, mortgage interest, rent, and utilities. Under the applicable PPP rules and guidance, the interest and principal on the PPP loan were eligible for forgiveness if the business spent the loan proceeds on permissible items within a designated period of time and used a certain portion of the loan toward payroll expenses.

5. Between on or about April 16, 2020, and on or about June 30, 2020, BLAINE MURPHY (“MURPHY”) submitted or caused to be submitted thirteen (13) fraudulent PPP loan applications, nine (9) of which were approved, to the SBA and its authorized lenders. Those thirteen (13) loan applications were made on behalf of nine (9) entities controlled by MURPHY. Each of the loan applications falsely stated the number of employees, the average monthly payroll, or both. Each of the loan applications also falsely stated that neither the business nor any owner of the business owned or commonly managed any other business. Twelve (12) of the loan applications included false and fraudulent tax documentation.

6. The entities MURPHY controlled, and their associated bank accounts, include but

are not limited to:

- a. Ocean Horizons Maritime Unlimited LLC (“OCEAN HORIZONS”), a business purportedly located in Naples, Florida. MURPHY opened and controlled County Bank Account ending in 3686 in the name of OCEAN HORIZONS.
- b. Buchanen Family LLC (“BUCHANEN FAMILY”), a business purportedly located in Rehoboth Beach, Delaware. MURPHY opened and controlled County Bank Account ending in 9018 in the name of BUCHANEN FAMILY.
- c. Michele My Belle LLC (“MICHELE MY BELLE”), a business purportedly located in Rehoboth Beach, Delaware. MURPHY opened and controlled County Bank Account ending in 8982 in the name of MICHELE MY BELLE.
- d. Money-Line Mortgage LLC (“MONEY-LINE”), a business purportedly located in Rehoboth Beach, Delaware.
- e. North American Title and Servicing, LLC (“NORTH AMERICAN”), a business purportedly located in Naples, Florida. MURPHY opened and controlled Bank of America Account ending in 4099 in the name of NORTH AMERICAN.
- f. Fountainview LLC (“FOUNTAINVIEW”), a business purportedly located in Santa Fe, New Mexico. MURPHY opened and controlled Bank of America Account ending in 0094 in the name of FOUNTAINVIEW.
- g. Port of the Islands Real Estate LLC (“PORT OF THE ISLANDS”), a business purportedly located in Naples, Florida. MURPHY opened and controlled Bank of America Account ending in 0078 in the name of PORT OF THE ISLANDS.

- h. Collector Vehicle LLC (“COLLECTOR VEHICLE”), a business purportedly located in Naples, Florida.
- i. Investment Servicing Center, LLC (“INVESTMENT SERVICING”), a business purportedly located in Naples, Florida. MURPHY opened and controlled Bank of America Account ending in 9995 in the name of INVESTMENT SERVICING.

7. County Bank is a financial institution located in Rehoboth Beach, Delaware, the accounts of which are insured by the Federal Deposit Insurance Corporation.

8. As a result of the false applications, MURPHY obtained approximately \$385,361.50 from the nine (9) approved loan applications.

9. Once MURPHY obtained the PPP loan proceeds, he caused some of those funds to be spent on unauthorized purchases and other personal expenses not permitted under the terms of the loans.
